Good morning yesterday . . .

You wake up
and time has slipped away

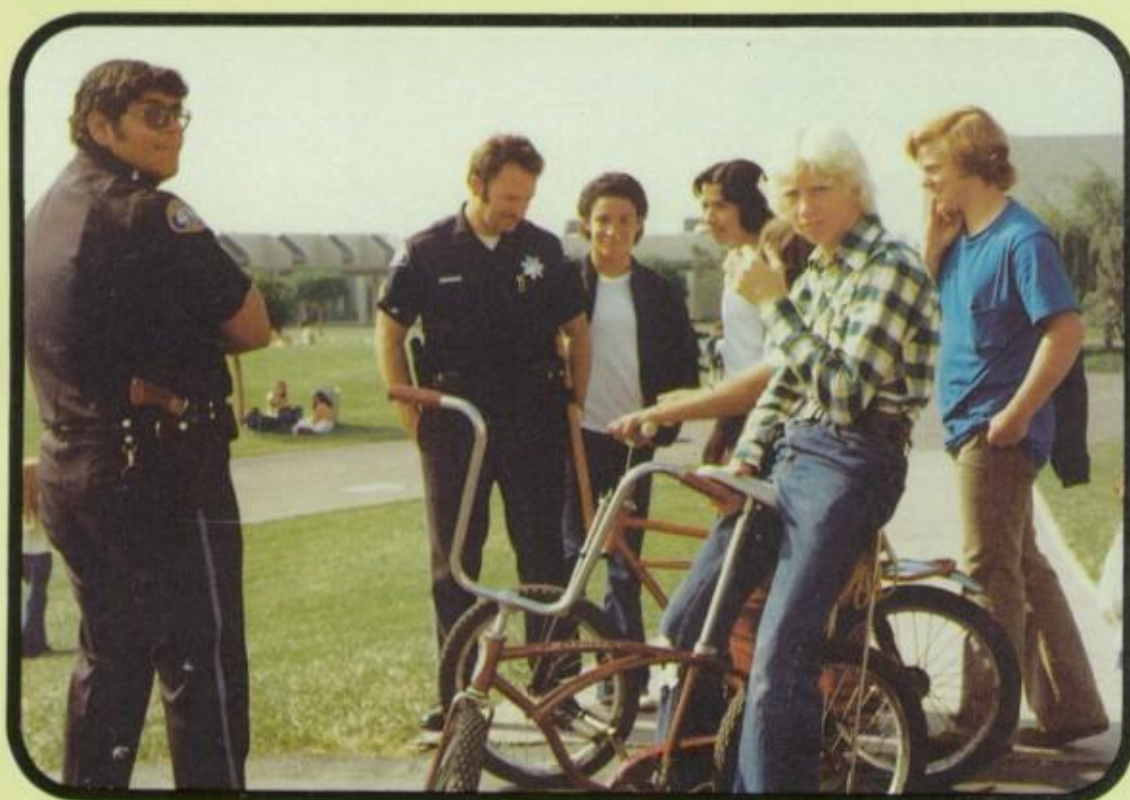

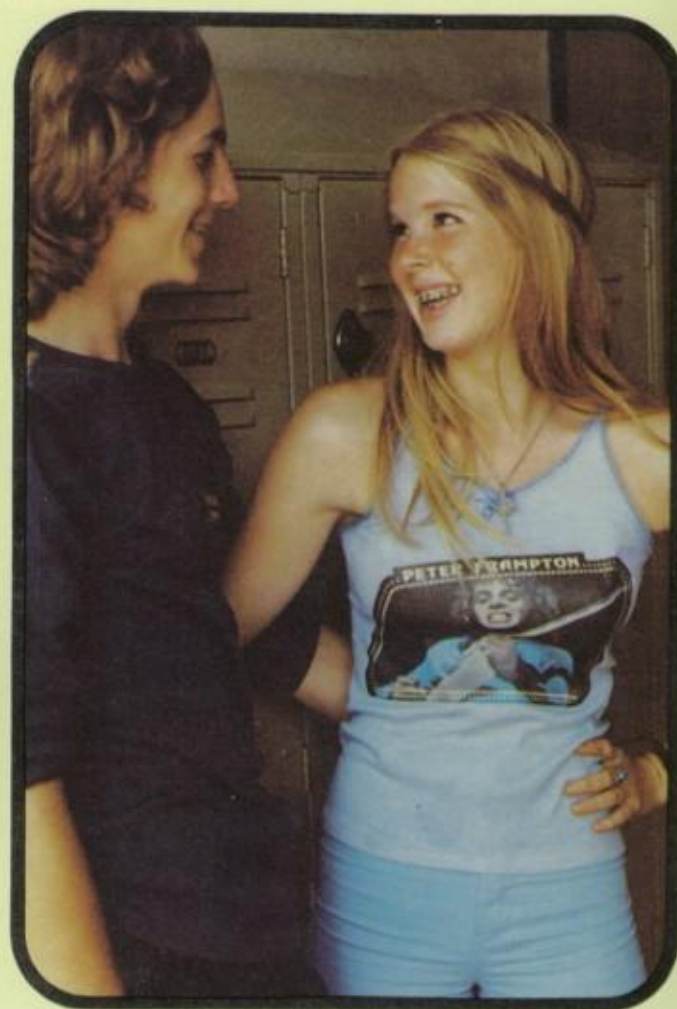

and suddenly its hard to find
the memories you left behind.

Remember . . .

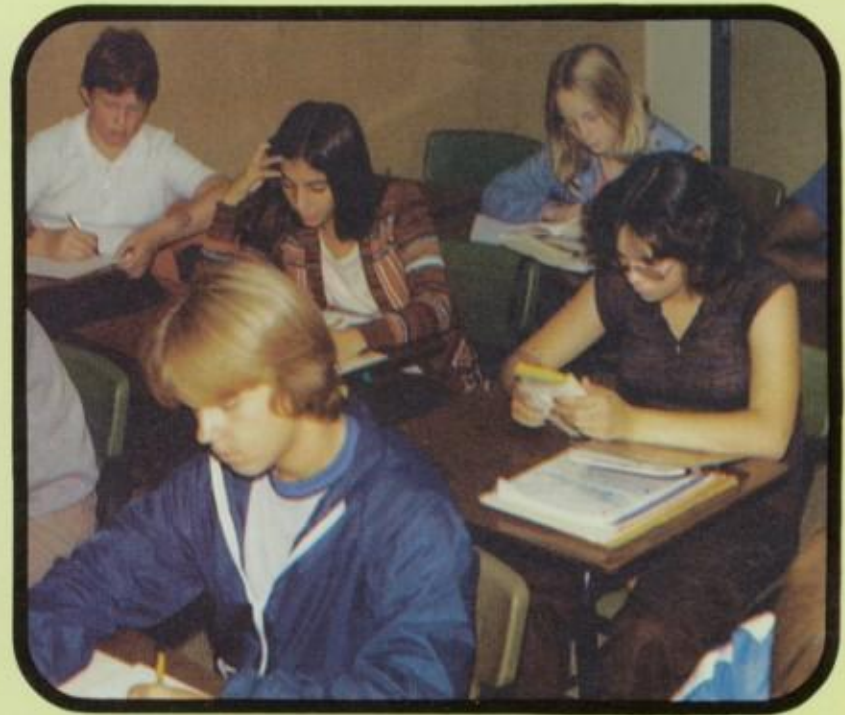

Do you remember?

The laughter
and the tears

the shadows
of misty yesteryears

Reflections

The good times
and the bad you've seen

and all the others
in between . . .

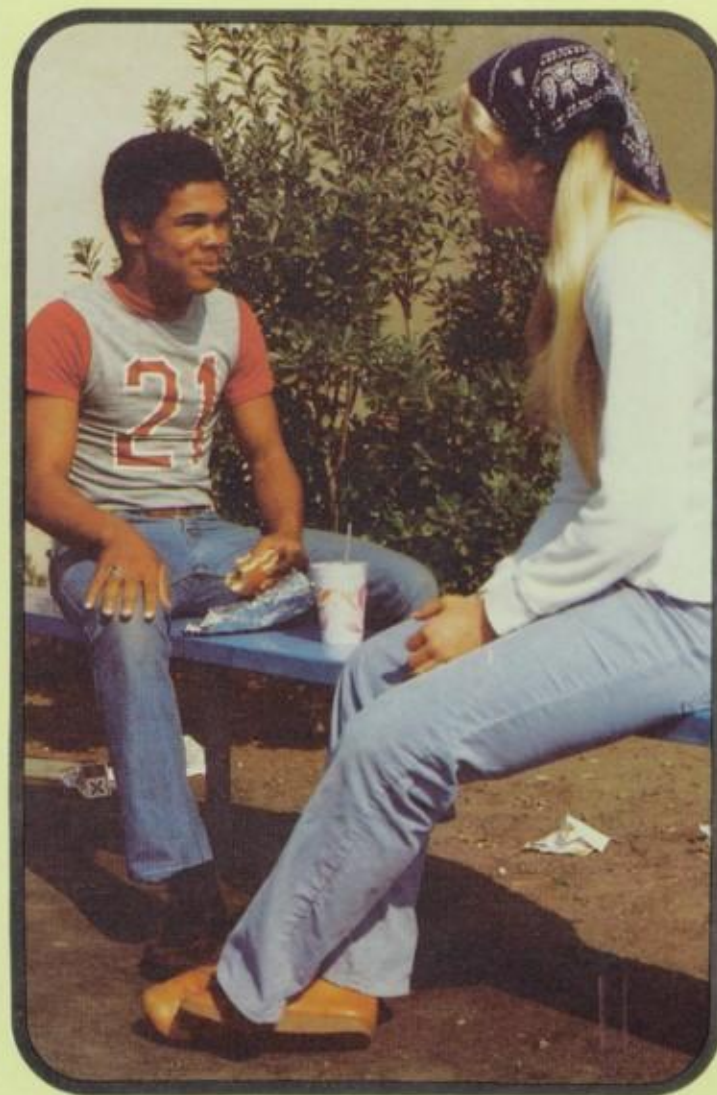

Remember,
do you remember . . .

the times of your life?

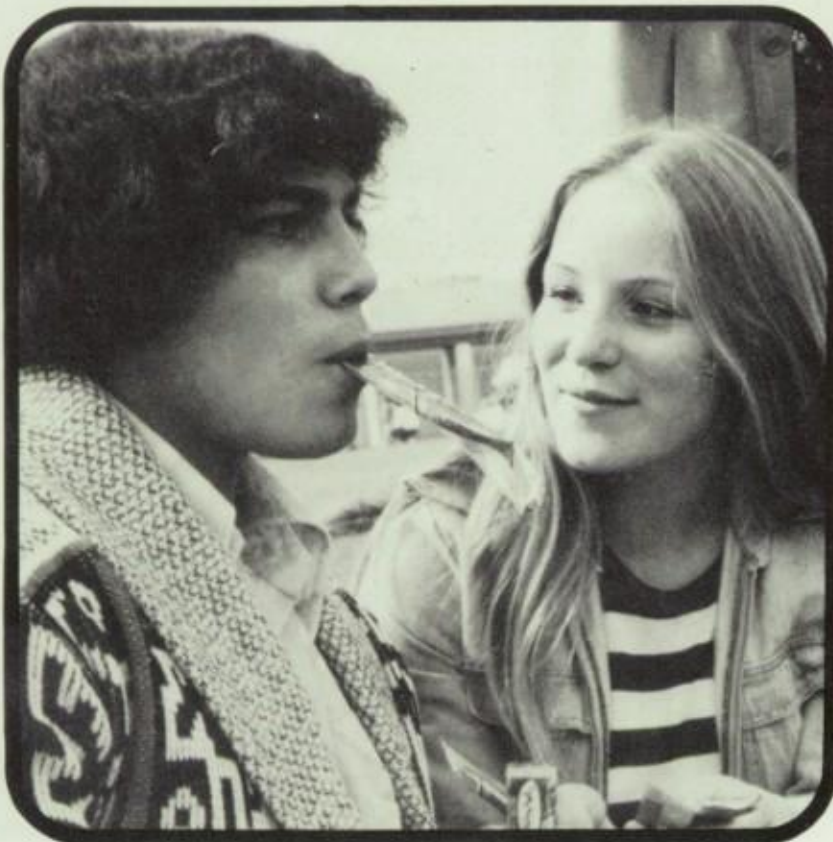

Reach back for the joy and
the sorrow

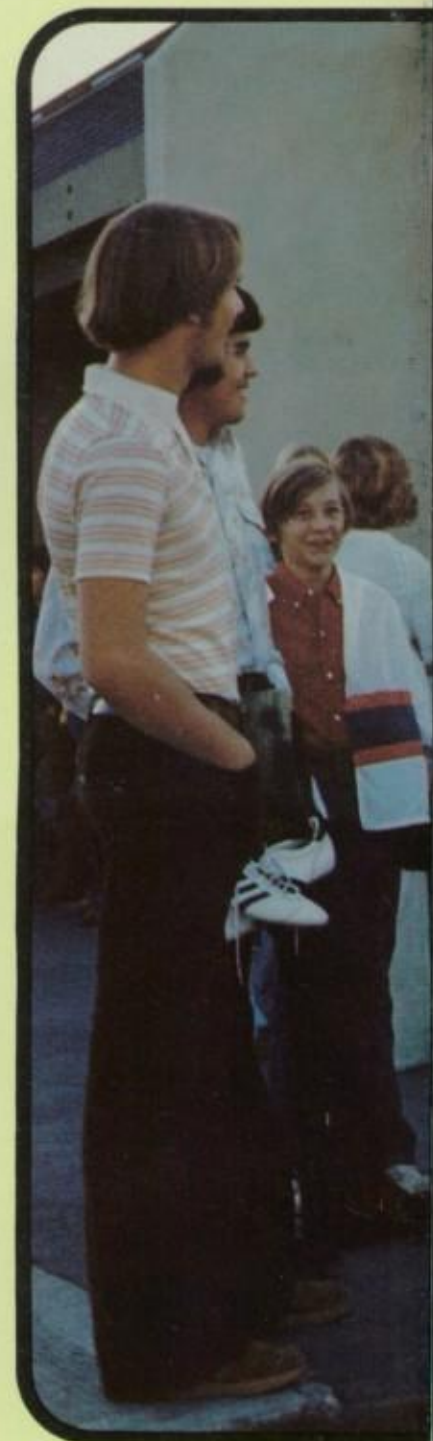

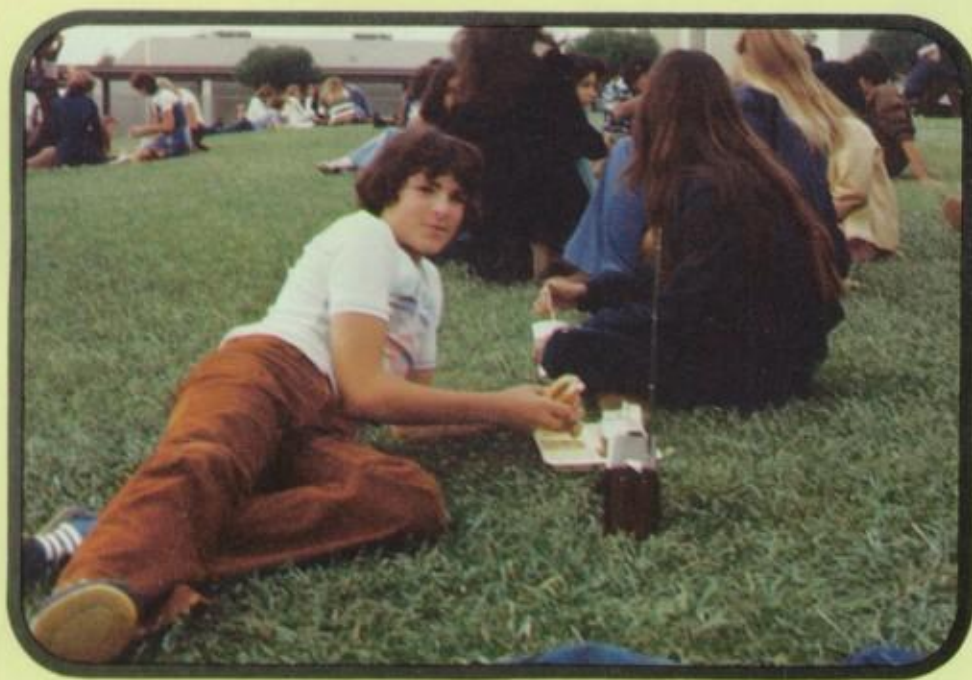

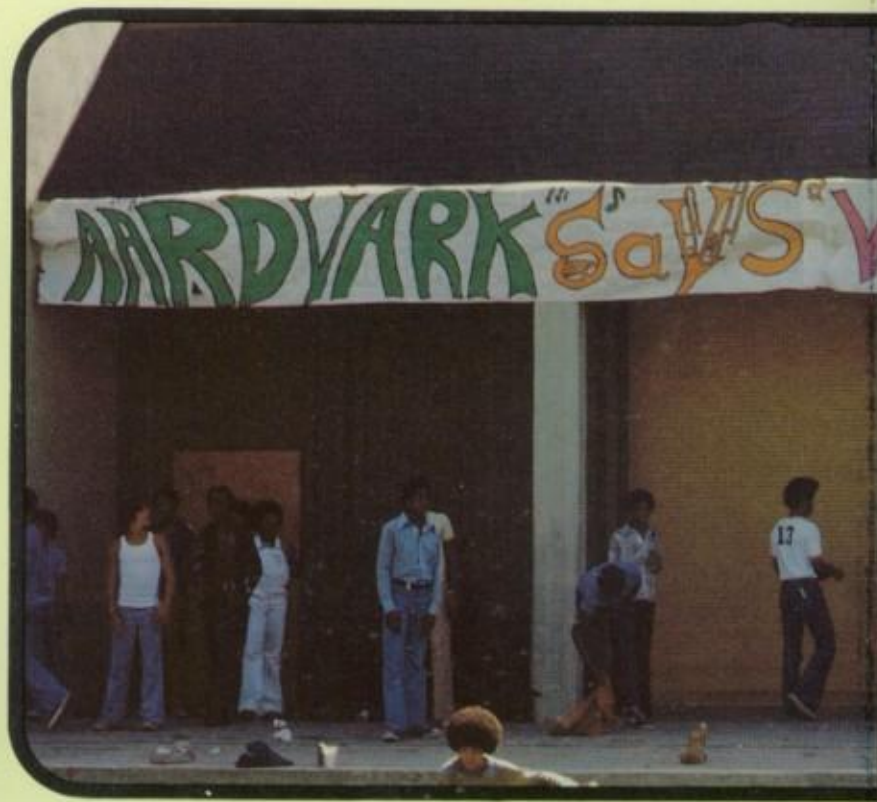

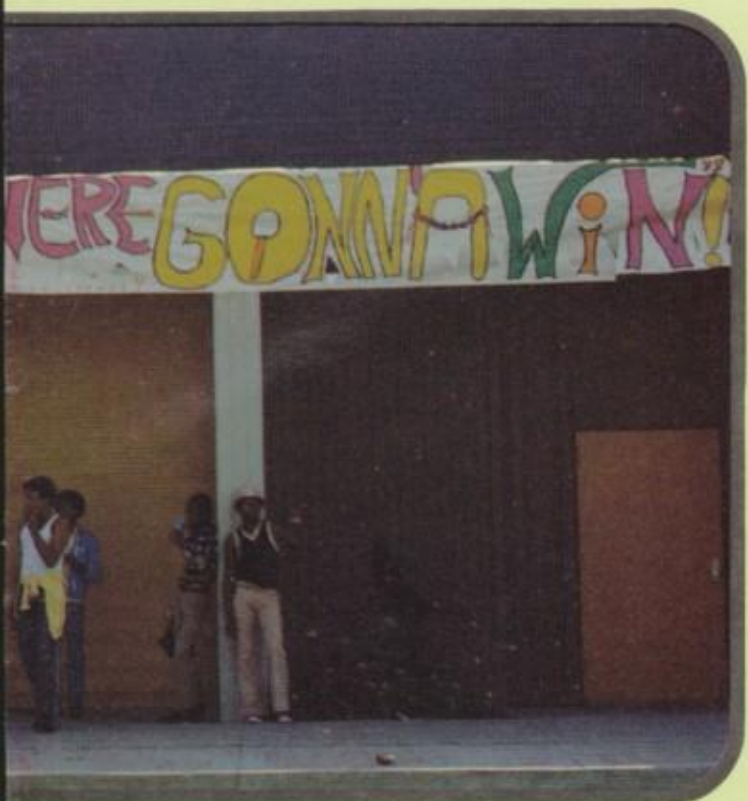

Put them away
in your mind

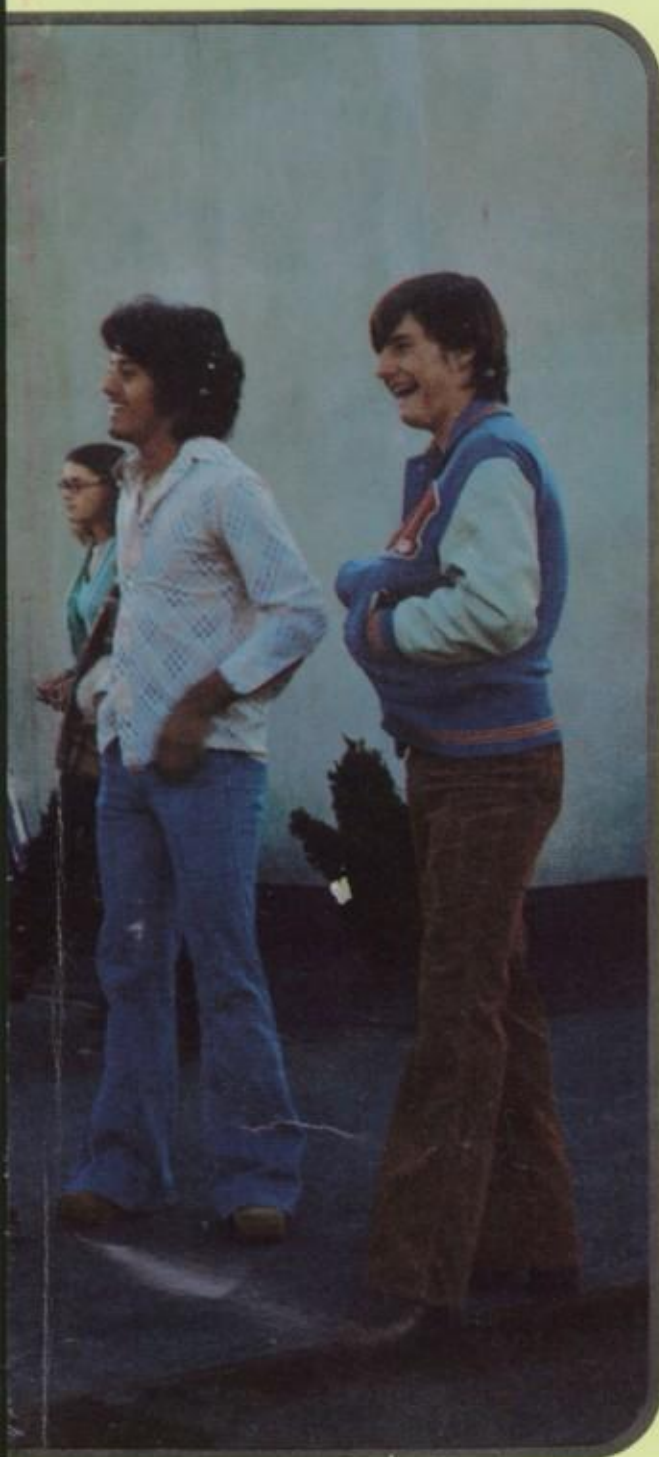

To Loco Mel.
 You a fine mother
 but you getting married
 that's cool because shes
 getting the
 Best. Take
 Life slow.
 Ugly. see you
 around
 later
 Berta
 moment

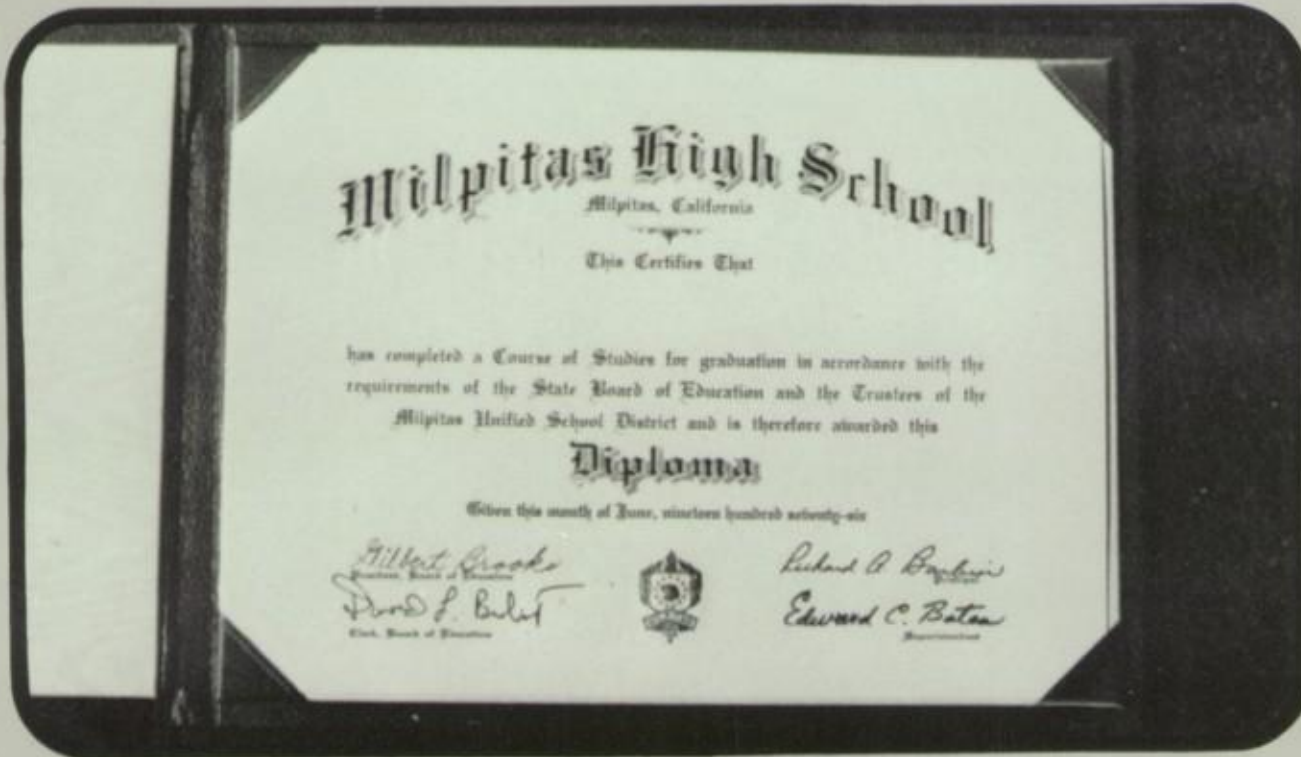

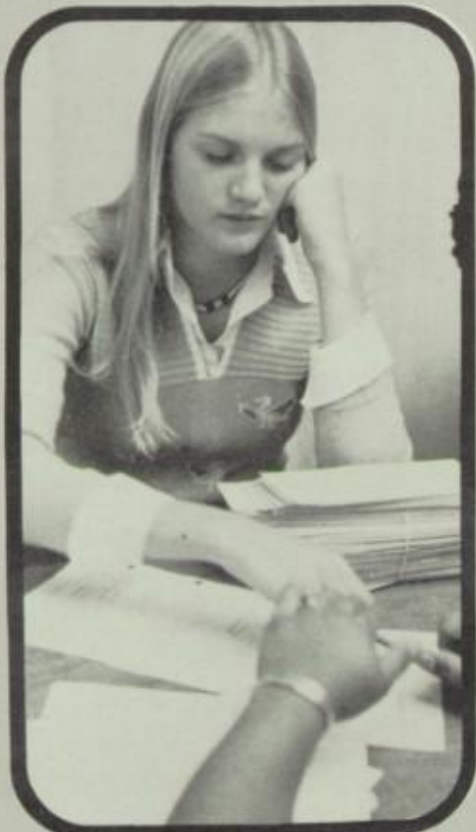

For memories are
 the time you borrow

To spend when you get to tomorrow.

Seniors

Leading The Spirit Of '77

This year's Senior Class started out with \$58.00, but in just three months their account jumped to over \$1100.00. Most of this money came from concessions which were sold at all home football and basketball games. Along with coke sales, candy sales, and other assorted fund raisers, this year's senior class officers put forth much time and effort to improve the overall spirit of the class. By the end of the year, the Seniors really pulled together and made their final year at MHS a memorable one. With much pride and pleasure the Anthem presents to you the graduating "Class of 1977."

Activities

Homecoming Tradition Broken

Due to the fact that the Patriot's first football game was against Ayer, a new team had to be chosen to play for Homecoming. The Yerba Buena Warriors were chosen, and spirits were high for the week's activities. Noontime activities brightened the boring lunch hour, and the week ended with the rally, and dance.

This year's rally theme was "Future 2000." Class competition was close, with the Juniors and Seniors fighting for first place. Homecoming noon activities included: the inner tube race, licorice kissing, tricycle races, balloon toss, and the final event, the tug-of-war. The overall noon activities were won by the seniors, and the rally was won by the juniors. The B.S.U. Drill Team, under the direction of Toni Rigmaiden, made its first appearance at the rally.

Over Spirited Festivities

This year's Homecoming Court, led by last year's Queen, Anita Gonzalez, led the way from the first noontime activity to the last minute of the Varsity Football game against Yerba Buena. The Annual Homecoming Dance was held in the Large Gym Friday, and was a huge success. The band, "Solid Ground" "disco"-fied the gym and everybody had a good time.

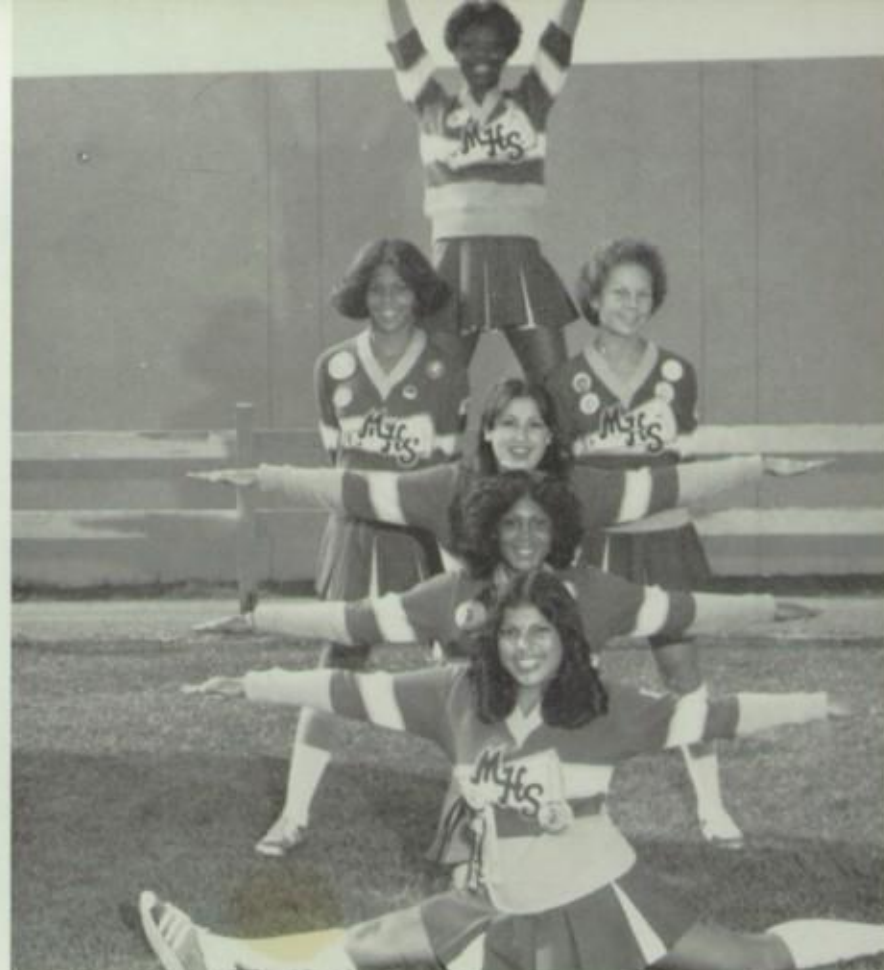

Our mighty football teams turned out for their games with some good performances, but with one heartbreaking loss. Our Freshman and J.V. gridgers each defeated their opposing teams, and our Varsity Team put up a good fight but came out behind in the end.

Go! Patriots, Go!

After an all-time low in spirit when the entire student body walked out on a poorly planned rally, a radical change in this year's rally format was instituted at the 2nd Winter Sports Rally. Instead of passively watching the cheer squads perform as before, the crowd was now encouraged to join in the yells. Competition yells were reinstated, and the J.V. Cheerleaders presented a lively skit baking a "Spirit Cake" on Dom Squadrito's head. The gym roared with sound as the freshmen and sophomores battled it out for a first place in the competition yell, and seniors were, as per recently forgotten tradition, the first to leave at the end of the rally. Afterwards one freshman summed up the feelings about the new rally as, "My ears are still ringing. That was fun! When's the next rally?"

Administration Gets Jumped!

Vroom, Vroom . . . This year your hero and mine, Super Patriot, brought even more excitement into our lives with a death-defying, dare-devil leap across three of the most treacherous objects found anywhere. You guessed it! Mr. S.P. leaped over and across our own Mr. Barbier, Mr. Fossum, and Mr. Galde despite treacherous weather conditions that forced Ayer's Super Turkey to chicken out on its attempted jump, proving once again that the Patriots always come through in the clutch.

MHS Executive Committee Moves Towards

The Student Government of 1976-77 accomplished many of its goals. The officers eliminated their ASB deficit through an audit, a successful raffle, and various other fund raisers. They promoted school spirit through Homecoming Activities, the Jack Emery Drive, the Nominations Convention, the Boston Tea Party, and the combined Ayer and Milpitas High Almost Anything Goes Competitions. Student Government this year kept very busy in the process of making MHS a school of and for the students.

Senate and House Collaborate

The House of Representatives, under Chris Werner's direction, collaborated with the Senate to pass needed legislation. The House is made up of students chosen from their second period classrooms. These students put in much time and effort to get involved in student government and should be commended for their efforts.

D.E.C.A. Advances

This year the Student Store, again under the direction of Jerry Moore, did an excellent job in creating a job situation for students in the D.E.C.A. class. They gave up their break and lunch hours to provide the students at MHS with assorted goodies from Tom's. Since the money was coming in better than was expected, the students got paid for their efforts, just like a real job. The distributive education class may be a new one, but it won't take long for it to be accepted.

ASB Raffles Off Deficit

"Honda Sweepstakes," a new idea added to this year's list of activities, was an effort of the ASB to help erase part of the ASB deficit. Over \$2,000 was raised through this fund drive which proved to be a success. Rowena Balague, this year's Homecoming Queen, did the honors of drawing the lucky numbers (middle left). Student Body President Andrea Justen called out the numbers and names of all prize winners (left). The luckiest winner was Al Stotlar, the winner of the Honda, whose daughter, Julie, received the keys (below). The ASB hopes to continue with this fund raiser in future years.

CURRICULUM COMMITTEE. Many people on campus aren't even aware that our school has a Curriculum Committee, but we do, and they did a very commendable job this past year. The Curriculum Committee is made up of representatives from each class (Sr., Jr., etc.), and these people try to come up with new ideas that will help the school and the people who will attend it in the years to come. The group is headed by Academics Manager Francine Ward and Advised by Mr. Galde. Major topics covered by the committee are litter, rallies, cheerleading try-outs and course selection and scheduling.

Journalists Found Hard at Work

This year the MHS Revolution Staff began the new year with a new advisor, Dom Squadrito. He and the staff worked hard this year to put out and deliver the school newspaper every three weeks. The staff not only gained experience in newspaper construction and the responsibility of meeting deadlines, but the ability to work and get along with other people.

Editor-in-Chief Trudy Ellerbeck headed up the Anthem '77 Editorial Board composed of Ian Burton, Kathy Miles, Maria Armstrong, and Moises Marines. The board selected style and theme for the yearbook and presented them in the opening section. Constant problems with the new photography company caused the cry of "Where are my pictures?" to be the staff password, but extra time and effort on the part of the editors and Advisor Carol Feige pulled the book together in time to meet final deadlines. Advisor Feige and her ever-present camera were seen rushing around school until the March 15th deadline. Due to rising printing costs and lack of student interest, Summer Supplement '77 was cancelled.

War and Realistic Simulation Game Club, otherwise known as W*A*R*S*, is a newly formed club devoted to the study of the strategy and tactics of various kinds of warfare, past, present, and future. Historic battles are recreated, and the members attempt to come up with new strategies to better the strategies of past historical military figures. It is a fascinating club and all are invited to attend the lunchtime meetings.

Chess Team Fought For League Title

For the second straight year the Milpitas High Chess Team finished near the top in league competition. The Chess Team was also in a play-off tournament to qualify to compete in the Santa Clara County High School Chess Championships for the second straight year. Their season record was 7-2. Elliot Frisby and Bill (Frenchy) Jones were the most successful team members this year.

French Club Celebrated Mardi Gras

Through candy sales and a Christmas Botique the French Club earned money to help finance field trips to local French restaurants and French Camp. Dressed in colorful costumes, Ayer and MHS French students converged on Farrell's to celebrate Mardi Gras. A high point in its active schedule was the weekend many members attended French Camp in the Santa Cruz Mountains with students from other Santa Clara County high schools. There they were allowed to speak only French as they learned French games, songs and cooking, and participated in such things as a cabaret.

Block M Provided Spirit

Block M continued its leadership in spirit at MHS during '76-'77, its appearances often being the high point of a rally. At Homecoming Block M members made a tremendous entrance with their flags and shields which provided background rhythm for their cheering section. They made their second annual appearance at the X-mas Assembly decked out in their finest attire (above) to serenade the MHS student body. During a low point in campus cleanliness, Block M cleaned the campus of litter. Seen everywhere, Block M members were an asset to all activities.

On Wednesday, March 9, 1977, the coaches of Milpitas High School met the Class of 1977 in a grueling and excellently played basketball game. The game was very close all the way to the end and required two 3-minute overtimes before the coaches finally won by a score of 71-69.

High score game honors go to Melvin Smith who racked in 29 points for the mighty Seniors. Coach David Paul had 22 points, and Coaches Frank Insell and Phil Clark hit double figures with 12 points each.

Coaches Win Out In Two Overtimes

Boppin' at the Hop

The Oldies but Goodies Dance was a blast from the past featuring such rock and roll superstars as Elvis, The Supremes, Booker T. and the M.G.'s, and was hosted by Wolfman Jack. A new innovation, "The Freeze Dance" was introduced and was a smash hit even though controversy arose over the eventual winners, Don Squadrito and Leticia Marines. There were no rumbles this year, and everyone went home feeling groovy. AAAY . . .

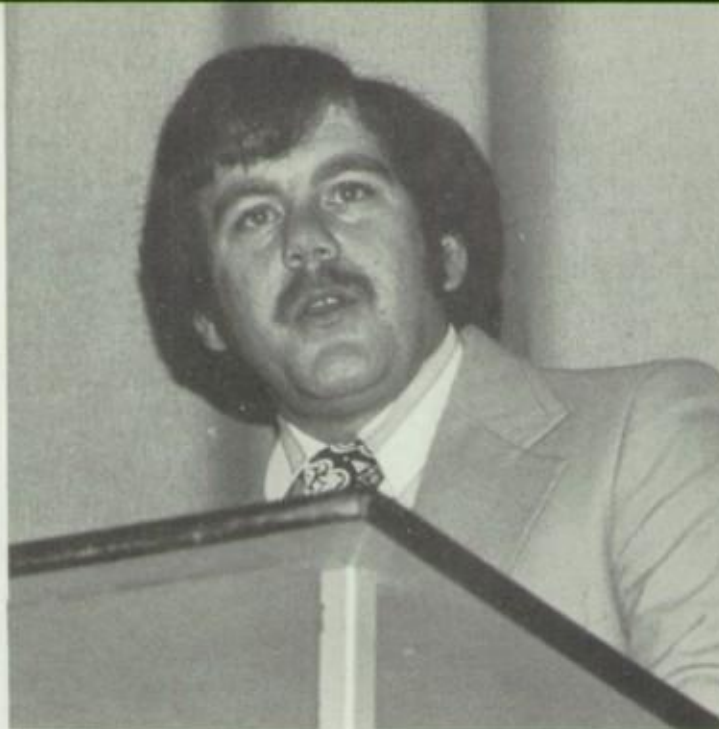

Bottoms Up At The Tavern

This year's winter drama production was a new play called "The Tavern." The play was a fast-paced melodrama set in an old fashioned tavern in the 1890's. The plot revolved around mysterious characters arriving at the tavern during a violent storm and finding out how they all fit together. Special effects in this play included thunder and lightening, rain and wind. Dennis Vogel had the leading role. Ms. Frausto praised the acting abilities of Dennis Vogel, Carrie Palmer, Julie Pitagara, David Thomas, Steve Marolich, and David Coy. Ms. Frausto was pleased with the overall outcome of the play.

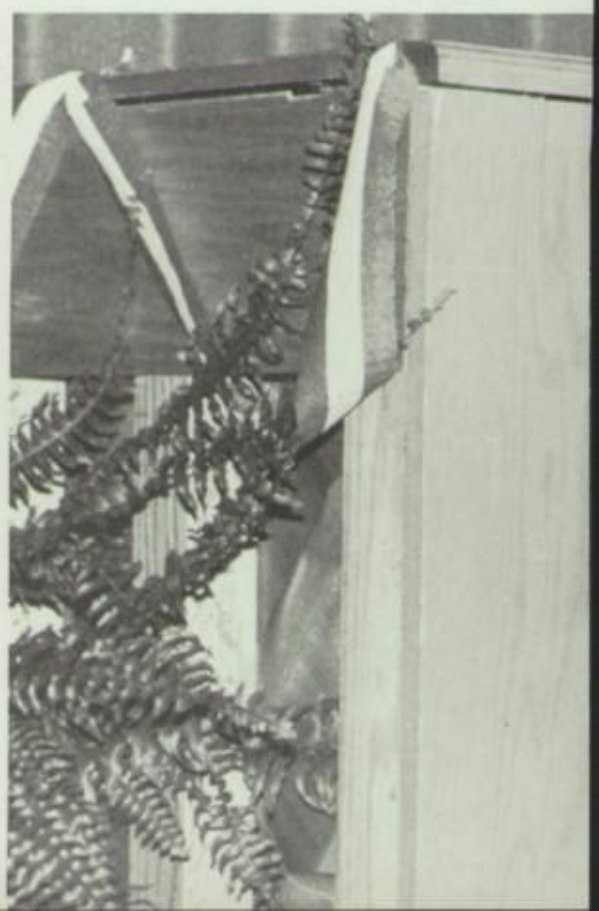

Graduation Cake Highlights Midyear Graduation

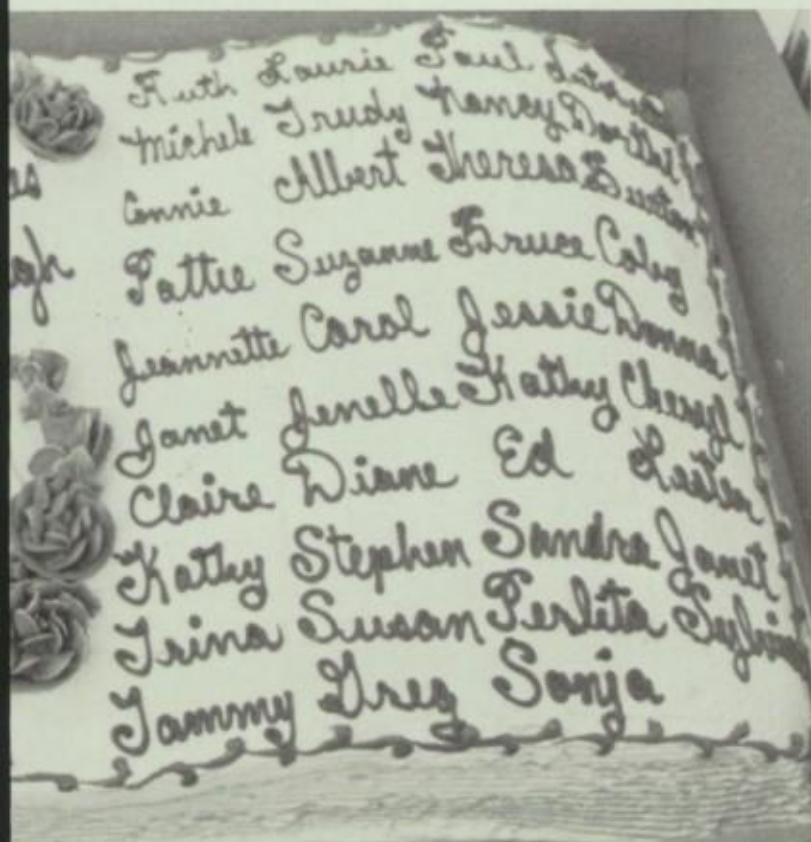

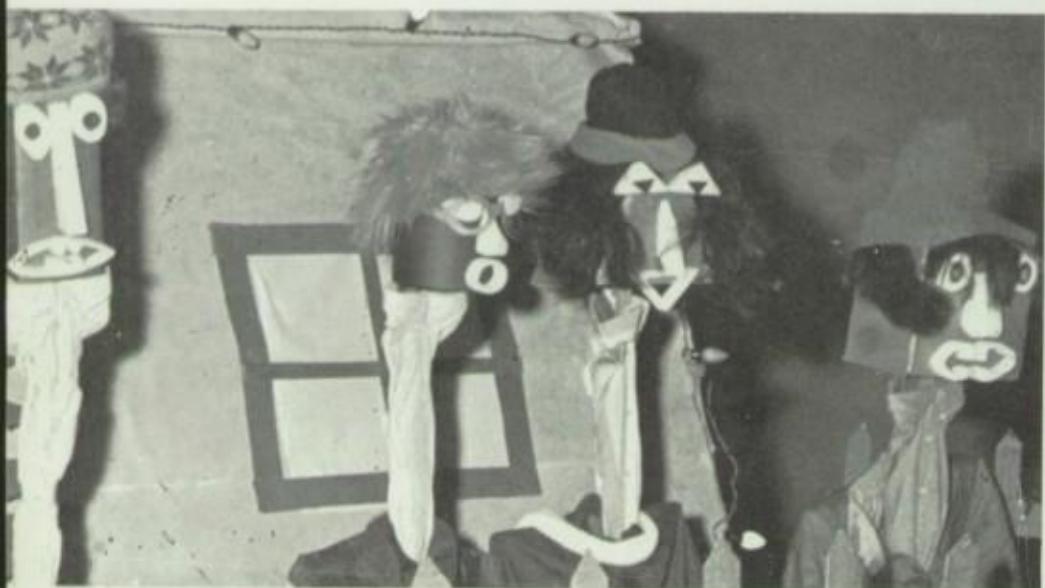

The Class of 1977 held its annual mid-year graduation in the MHS Theater. Approximately 200 guests attended the informal graduation in which 39 seniors ventured into the real world one semester earlier than the remaining seniors. Our own Mr. Squadrito was the guest speaker; also giving a short speech was Senior Class President Moises Marines. Superintendent Ed Bates was present, and all diplomas were confirmed by Board Member Janet MacDonald. Something new this year was graduation cake with all the graduates' names inscribed on the cake. Milpitas Florist provided, at no cost, the interior decorations, and the evening ended with all the graduates being invited to all spring semester senior events.

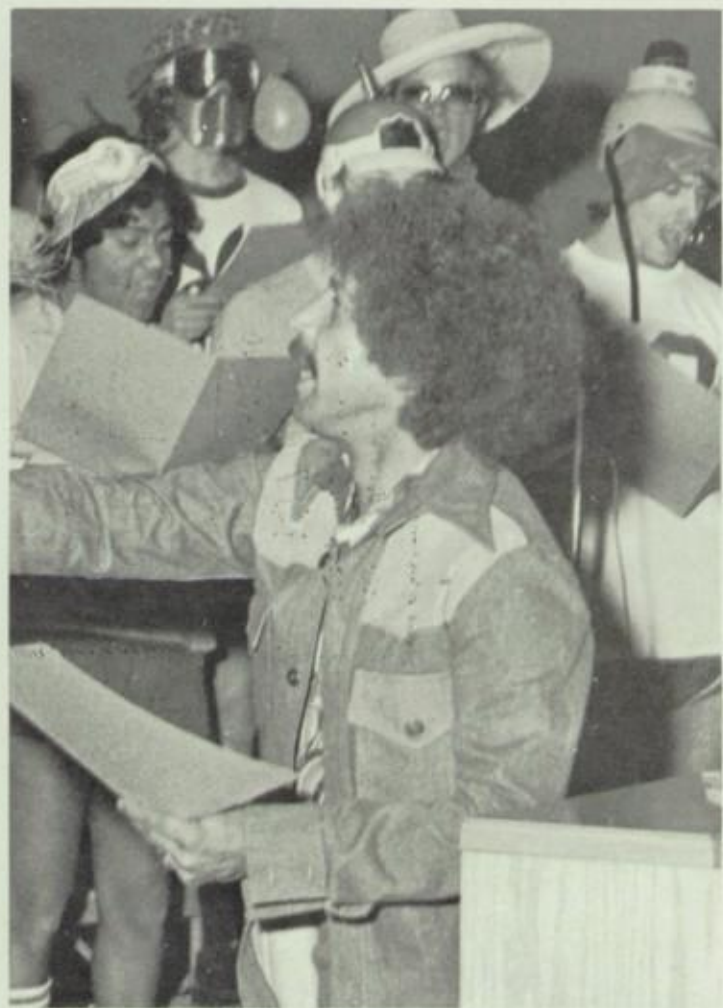

Class of '77 Presents Most Early Grads Ever

Santa Comes Early!

Before Christmas vacation MHS hosted its annual holiday assembly. The gathering featured the talented chorus, a tuned-in band, and an overly generous Santa riding a skateboard. Special attractions included our student government which honored selected staff members with comical carols. Then the Block M Chorus, led by Mr. B., appeared in their fine attire to sing their special version of a few Christmas songs. The assembly closed with the presentation of the Jack Emery Princesses, and the class murals.

Patriots Were Busy

What to do Next?

Faculty Womps Students

This year's donkey basketball game ended with the students on the short end of it again, 34-20. The freshmen took the court first (middle) being outscored 12-2 in the first quarter. The second quarter was the sophomores. The faculty also scored 12 points on them, but Chris Marshall (far right) scored 8 points for the sophomores. After halftime, the juniors took the court for the third quarter, tightening up their defense. The faculty scored only 6 points to the junior's points with Bob Eberle scoring the lone basket on a full court pass from Tom Lascrain. The seniors did the best, only having 4 points scored on them and scoring 8 points for themselves, but it wasn't enough to pull the students to victory.

The Chapel of Love

"I love you too." Oh, Hi there! Super Patriot here to tell you a little about the art of Matrimony here at our sprawling campus. This year's rendition was full of fun and laughter with about 60 couples taking the plunge. Administering the oaths were three of our finest Reverends from our reknowned parrish, Rev. Ike Walde, Rev. Fossum and Rev. Gary, who married all the valentine couples. Did I miss anything? Oh yeah, Randy Beggs set a new school record for quickest honeymoon (under ten seconds), and Moises tickled the ivories for three days playing the Weeding, I mean Wedding March while Kathy and Martha issued the marriage licenses. Well, that's all for now. See you at lunch. Later, Super Patriot.

Renewed Interest in Fashion Reigns at MHS

RIGHT: The hair pulled and braided tight was popular throughout 1976-77. FAR RIGHT: Traci Martin, wearing stacked rope sandals, styled full jeans, top with handkerchief hem, and giant sunglasses, and Robbie Brown, wearing Westernized boots, tucked-in pants, and open blouse tied over a teeshirt, are two of MHS's trend setters.

ABOVE: Shoes, shoes, shoes! Found in every color and many of the popular styles including roller-coaster, wedges, Earth Shoes and the enduring Adidas tennis shoes, these shoes are typical of the protection MHS students chose for their feet this year. RIGHT: Gauchos and mid-length dresses team up with boots everywhere on campus. FAR RIGHT: Yolanda Vargas wears the ever popular three-piece suit.

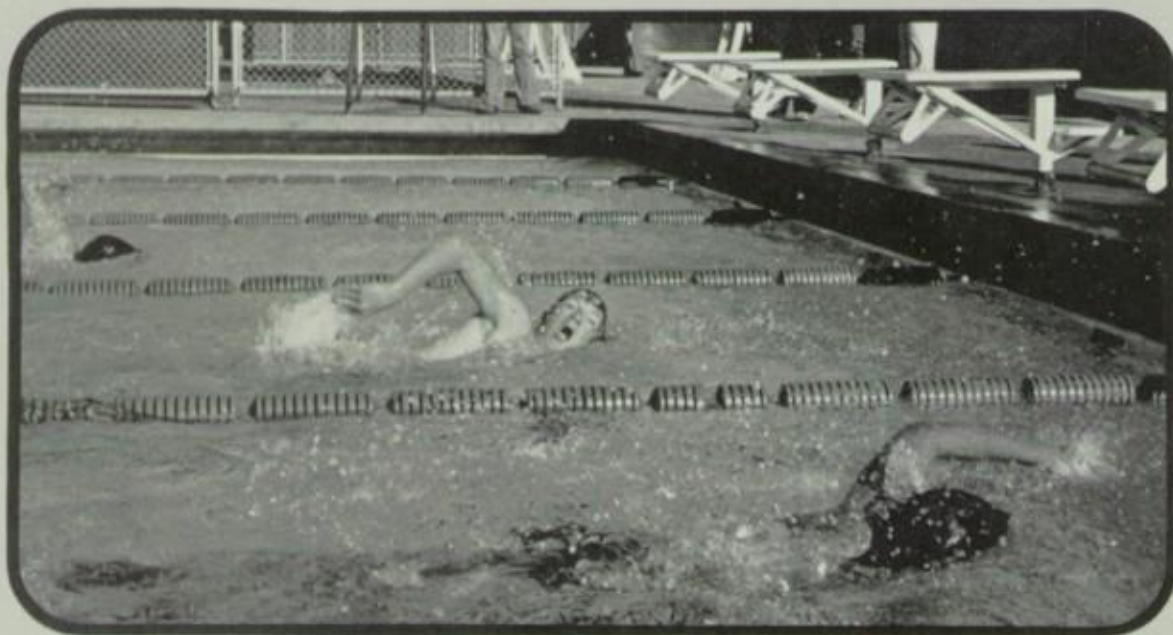

FAR LEFT: Mid-length dresses worn over pants began to appear on trend-setters like Nanette Roza. LEFT: Platform shoes continue to be very popular for the males.

FAR LEFT: A touch of class . . . Starlett Knox always dressed to perfection down to the last accessory, models the newest sweater sensation, the cowl neck, along with blazer, mid-calf length skirt and high heeled boots. ABOVE: Picture t-shirts were seen on most everyone this year. Solinda Crunk pushes snow on hers while other t-shirts proclaim messages for CBers or have full color fantasy pictures. LEFT: Debbie Day makes the "overall" scene with this long-lasting casual fashion. Her hot air-blown haircuts was popularized by ice-skater Dorothy Hamill.

New Rushing Record Set This Year

Despite a one-win season, several MHS students received MHAL honors. MHAL named Mike Ceraolo to the 2nd Team All-League. Ed Mischler, Bob Wilson, Paul Cole, Shane Ramey, and Dennis Detberner all received Honorable Mention.

Even though the Milpitas High School Varsity Football Team had a disappointing season recordwise, there were a lot of exciting and high points to the year. The team improved tremendously from the beginning of the year to the end.

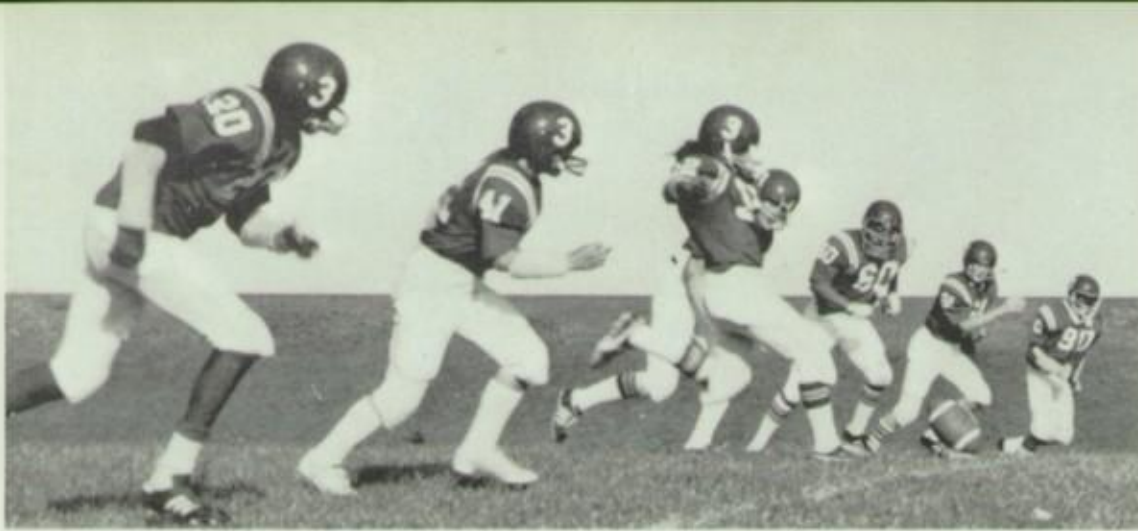

JV'S Finish With Fantastic Finale

The Milpitas High School Junior Varsity Team ended the season with an impressive 8-2 record. They missed going undefeated by only five points. The JV's did an outstanding job this year, and, if they continue to work during the off-season, they will be of great assistance to next year's varsity team.

Our Freshman Football team, one of the best we've ever had, played outstandingly this year. Both defensive and offensive teams were well constructed, and they put their best effort forward. The top scorers for the patriots were Mike Flowers, Rick Bently, and Dan Francis. The team showed this effort by winning 70% of their games. We look forward to an even stronger team next year.

This years varsity did pretty well this year, although it was mostly defense. Offense was lacking because a setter was badly needed. The team did well against teams like Santa Teresa who showed good potential. Coach Justino is looking toward next year for a good season. This years record was 5 wins and 6 losses.

J.V. also did well this year showing a lot of potential. The talent this year combined with the experience for next year should build a good team for next year.

'76 Water Poloists Good Potential No Goals

The 1976 Milpitas Varsity Water Polo Team started the season off with a bang, drowning Independence High 9-8 in its first league game. Unfortunately, this was our only victory of the season. However, the team gave a good account of themselves in all their matches, including a heart breaking 1-point loss to Overfelt in the season's finale. Butch Kirk was the outstanding team member, receiving honorable mention in the all-league selections, and Darren Krommenhock did a commendable job as a goalie.

BACK: J. Molno, B. Poelhman, D. Krommenhock, B. Kirk, K. Miles, T. Bergman, L. DeForge, J. Hill. FRONT: Coach Rose, H. Scott, S. Bennet, S. Johnson, A. Bergstrom, J. Alves, R. Shanks, Coach Squadrito, P. McKeen.

This year's Frosh-Soph Team was mainly composed of Freshmen, but, despite the lack of experience, held its own against teams with much more experience. Outstanding contributors on the team were Lewis Poelmann and Danny Sellen.

BACK: L. Poelmann, G. Benson, D. Sellen, B. Mathews, S. Ortlift, R. Markrell, B. Rice. FRONT: Coach Squadrito, T. Chapa, T. Stout, D. Bergstrom, K. Johnson, A. Rudolph, F. Alves, Coach Rose.

Despite many outstanding swimmers this year's swim team did not meet its expectations. The rest of the league had many new AAU swimmers while we had only Linda Groen, who qualified for CCS in 3 events. Due to CCS rules, Linda was allowed to swim only 2, 50 Free and 100 Free. The Medley Relay team, composed of Karen Kleppe, Ingrid Nore, Linda Groen and Heidi Albaugh were another high spot for our team who almost qualified for CCS. Many new J.V. events were added while only one Varsity event was added and two were removed. The final league record for the Varsity season was 2-10 and the J.V. record was 3-10.

VARSITY TEAM: BACK: Roland Heck, George Stanfield, Darrell Pennington, Coach Butler. FRONT: Ed Jarrett, Joe Pineda, Chris Marshall, Matt Hartman.

The MHS Cross Country Team, despite being a small team, had many excellent individual runners. Among them were Matt Hartman and Chris Marshall. Hartman set a new school record of 11:37 at League Finals. The team took fifth place for Varsity and sixth place for Frosh-Soph. Hartman took 3rd and Marshall took 5th in the Varsity Race while Roger Montanez took 5th in the Frosh-Soph Race. Both teams qualified for Regionals where Hartman and Marshall qualified for C.C.S. Both teams placed 17th in the league's season standings. In the Golden Shoe races against Ayer the team won both the Golden Shoe (Varsity) and the Golden Bootie (J.V.).

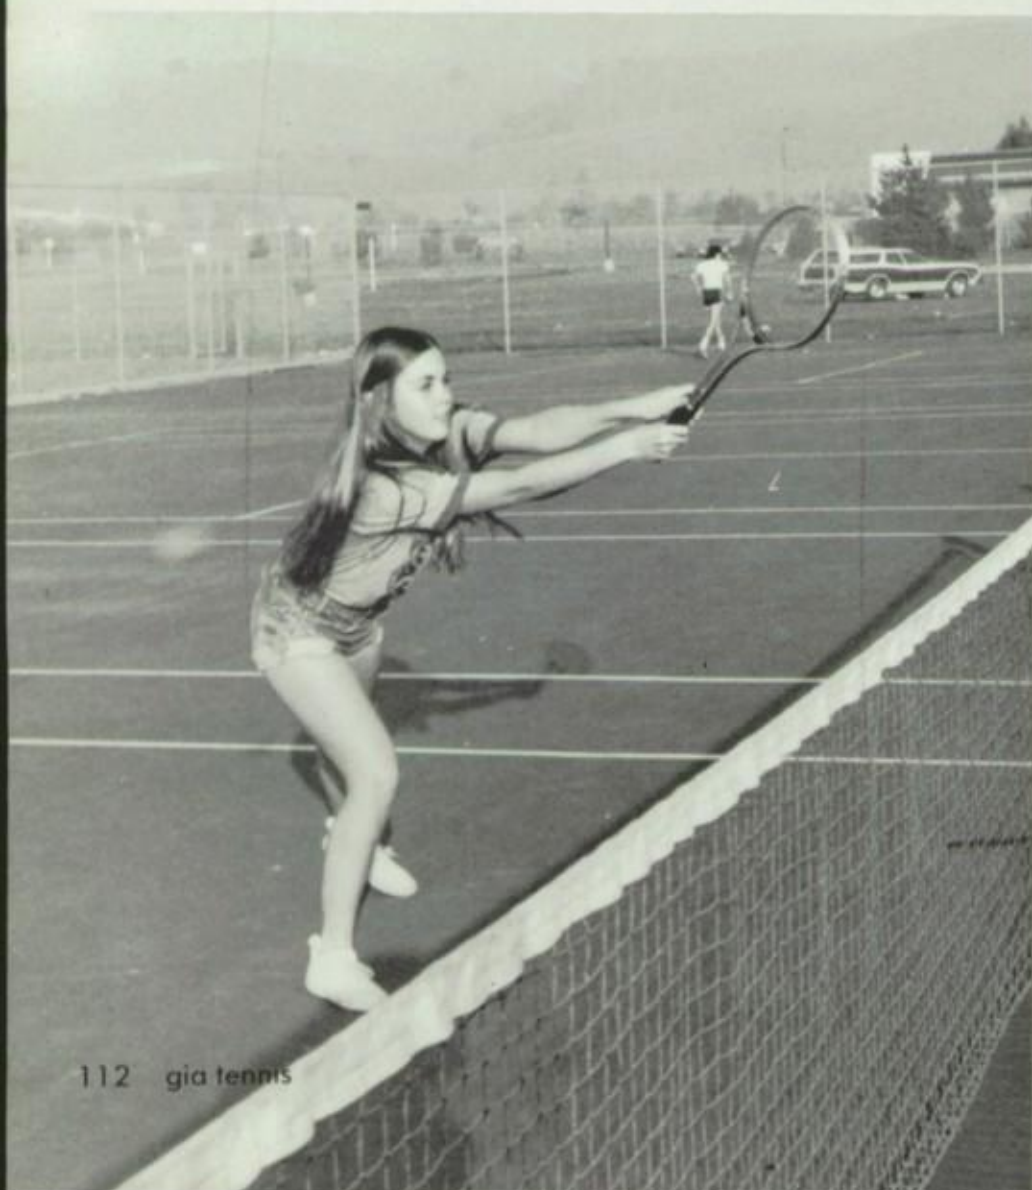

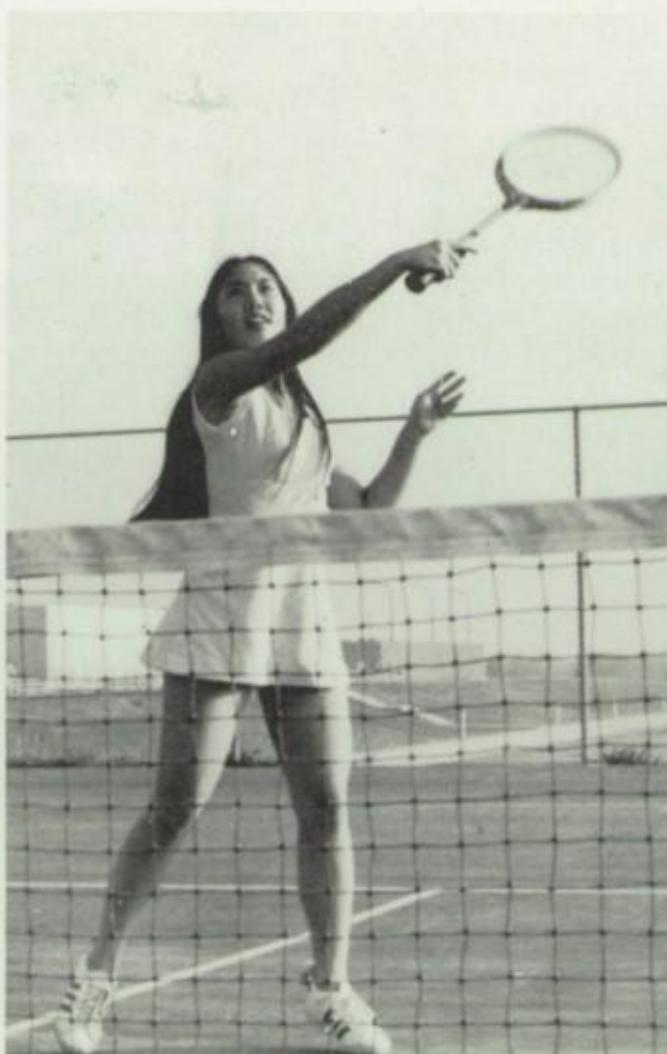

Record Season for Girl Netters

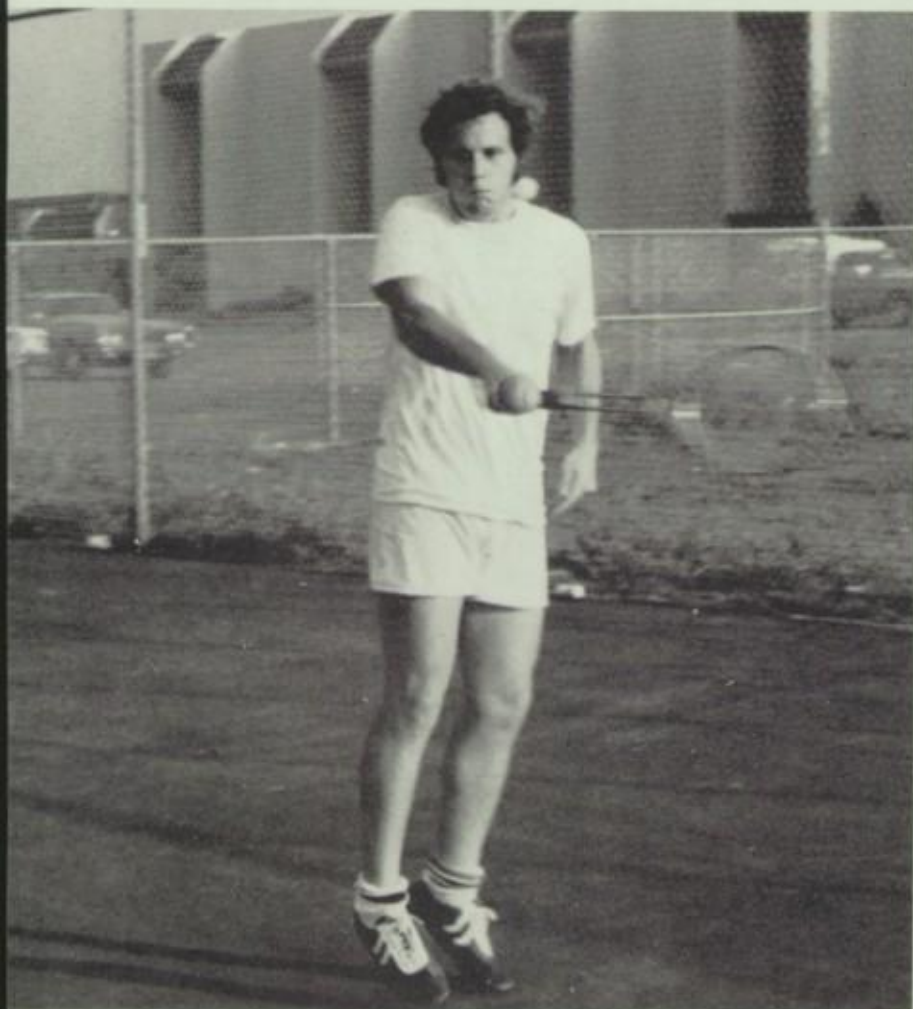

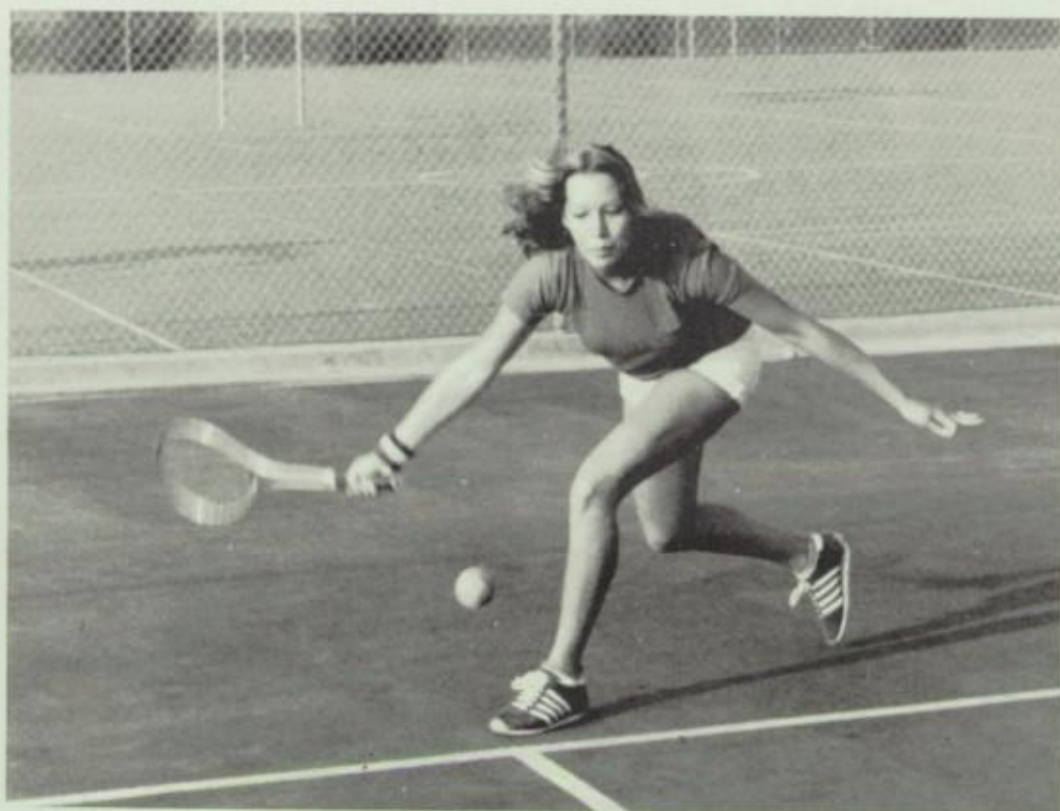

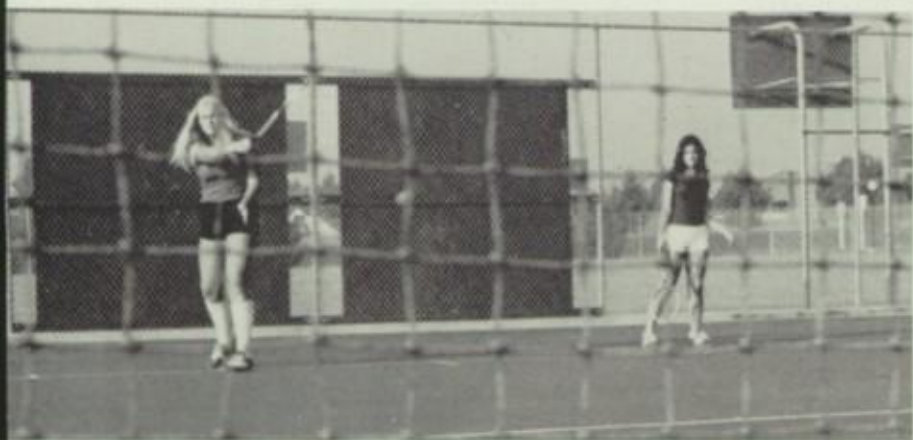

This year's GIA tennis team had the most successful season in Milpitas High history. Compiling a record of 10 wins against only 2 losses, the squad finished a very respectable 2nd in the MHAL. Only a narrow 4-5 loss to Piedmont snatched the championship crown away from our girls.

Coach Perotti's team had many highlights this season but the 5-4 victory over a powerful and highly ranked Independence team may have been the most satisfying single match.

The most outstanding individual on the squad was Jayme Gutierrez who compiled an overall record of 16-0 in league play and went on to the CCS playoffs. Karen Bretthauer and Donna Mori paired off in doubles and suffered only one loss. Betsy Berg and Loretta Tittle shared the Most Improved title.

Cagers Hustled

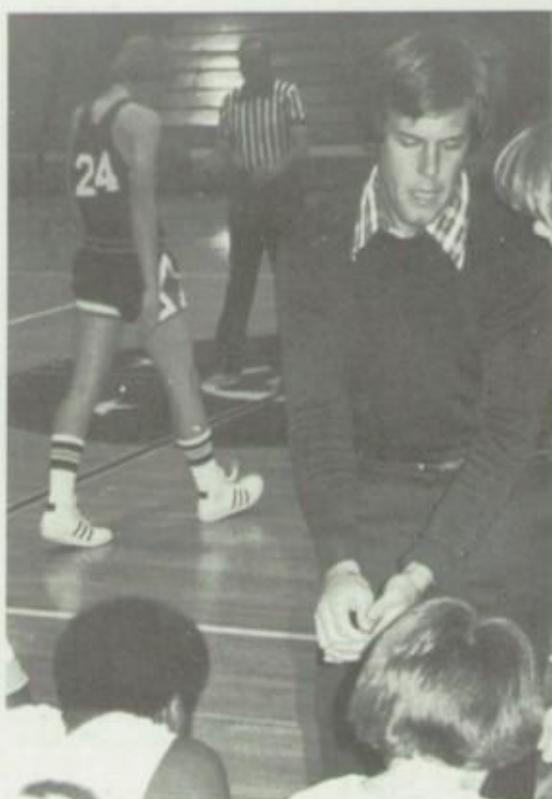

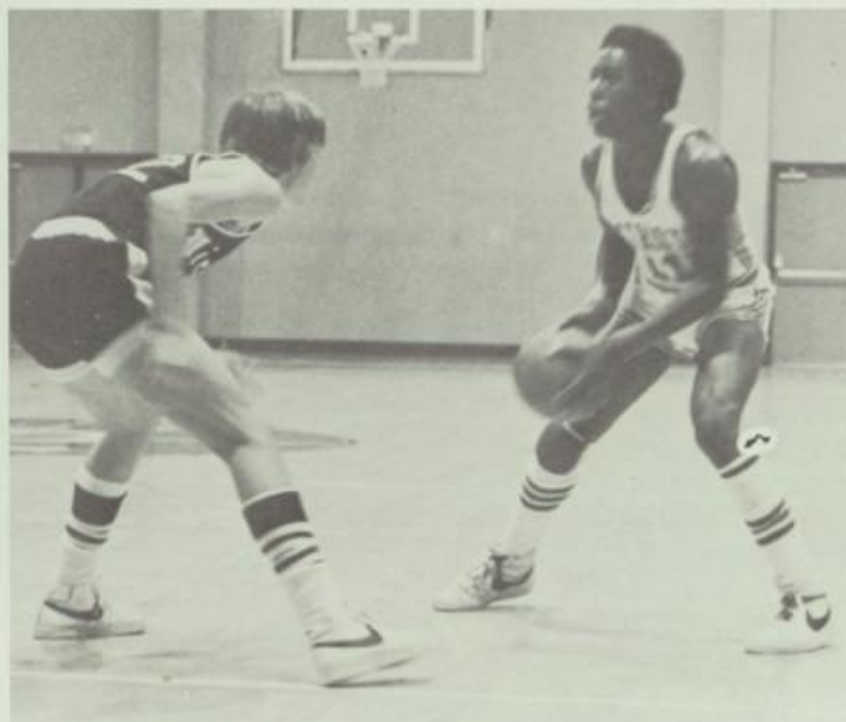

This year's Varsity Team, under the reins of first-year coach Dave Paul, was basically in a rebuilding season. The team had good speed and quickness, but, with the tallest player being only 6'2", was at a great height disadvantage. Their strongest showing of the year was a 70-32 route of Independence High. Standout players on the team included Melvin Smith, Terry Harris, Mike Scott and Dennis Graham who all had a very fine season. Next year's outlook is good with good height coming up from JV, experience on the court, and all but two varsity cagers returning.

Our Frosh-Soph had a very outstanding season ending up with 3rd place in the league. The team split the City Championship games with Ayer, both games being thrillers. The team had a new coach, Phil Clark, who did a very fine job his first year at Milpitas High. Standout players were Floyd Denson, Mark Magee and Darrell Dixon.

The 1976-77 GIA Jr. Varsity gave us a very exciting season with almost all the games being cliff hangers. The team, composed mainly of freshmen, had a very high morale and a super attitude. Drubbing Piedmont Hills 24-19 was the High-lite of the season, while losing to Silver Creek mainly because of a time-keeping error was the most disappointing moment of the season. Standout players were Kelly Henry and Diana Pikart, with Celeste Sherrill getting recognition for her outstanding play.

This year's GIA Varsity Basketball Team roamed the MHAL gyms and came away with a successful season. Winding up with a 7-4 record, the team was blessed with tremendous talent in the persons of Joyce "Hoop" Aguilera who netted 1st team all league honors and Jayme Gutierrez only a Jr., who netted 2nd team all league laurels. Credible performances were also turned in by Linda Young, Nina Kapsoff and Yolanda Byrd. Next years outlook is very bright with 4 starters returning, and some exciting players coming up from J.V.

Varsity Grapplers Survive in Tough League

With the best balanced team MHS has had in recent years, our wrestling team finished out the season with a 4 win, 7 loss record. Coach Dick Rose praised the team commenting, "They always put out 100%." He also singled out as outstanding wrestlers Ed Gonzalez (8-2), Dennis Detberner (9-1), Curtis Summers (10-1), and Shane Ramey (5-4). The teams' most exciting meet was against crosstown rival Ayer. It was close all the way through, but Ayer won. The most exciting match of the season was when Ed Gonzalez met Ken Pamanian from Ayer. Both were undefeated and equal in size, strength, and ability. Ed won the match in the final seconds 5-3. This year's team is losing a lot of seniors, so there will be a lot of big shoes to fill, but Coach Rose feels that with the excellent quality on the Freshman-Sophomore team and many returning juniors, next year looks to be very exciting for MHS Wrestling.

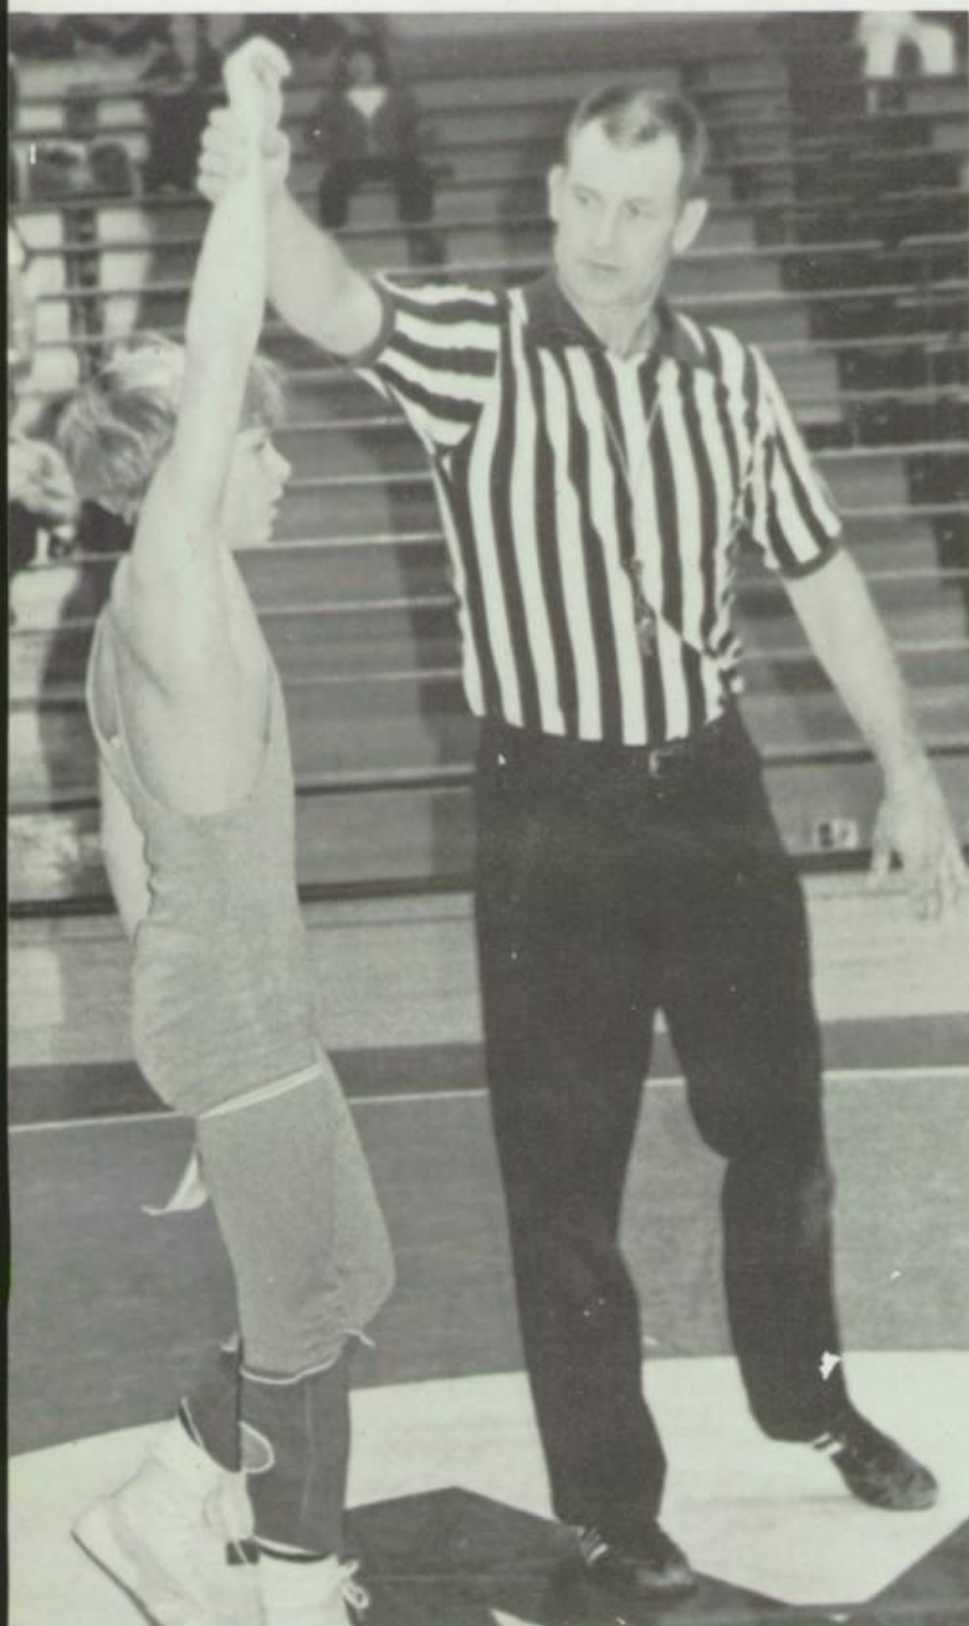

Outstanding Wrestlers Make Finals

Frosh/Soph Wrestlers Come on Strong

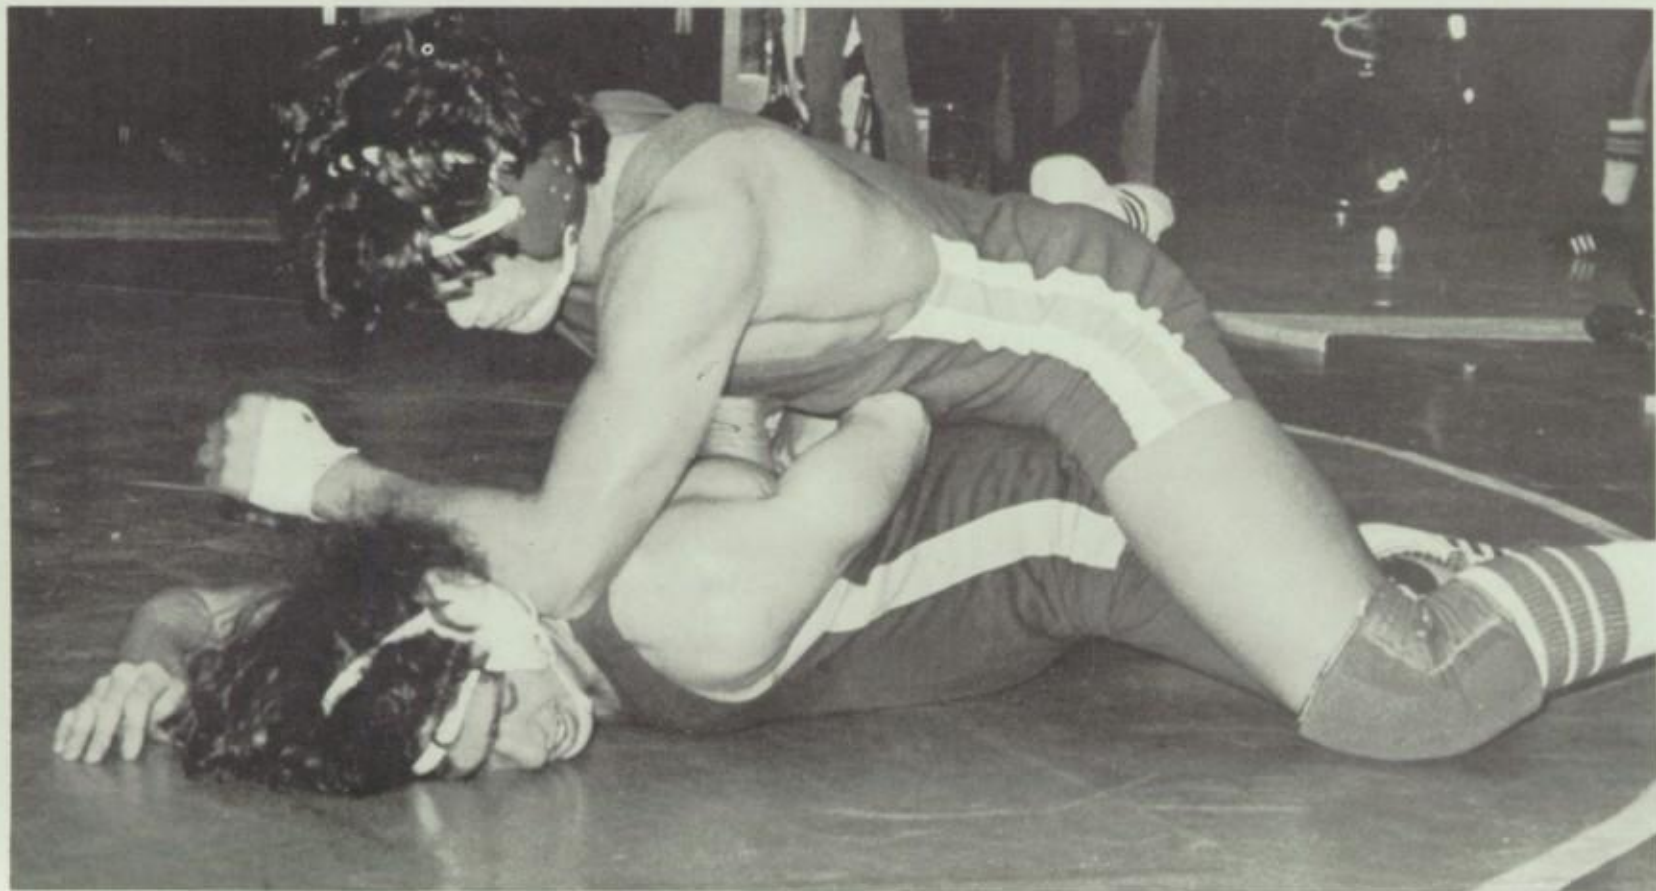

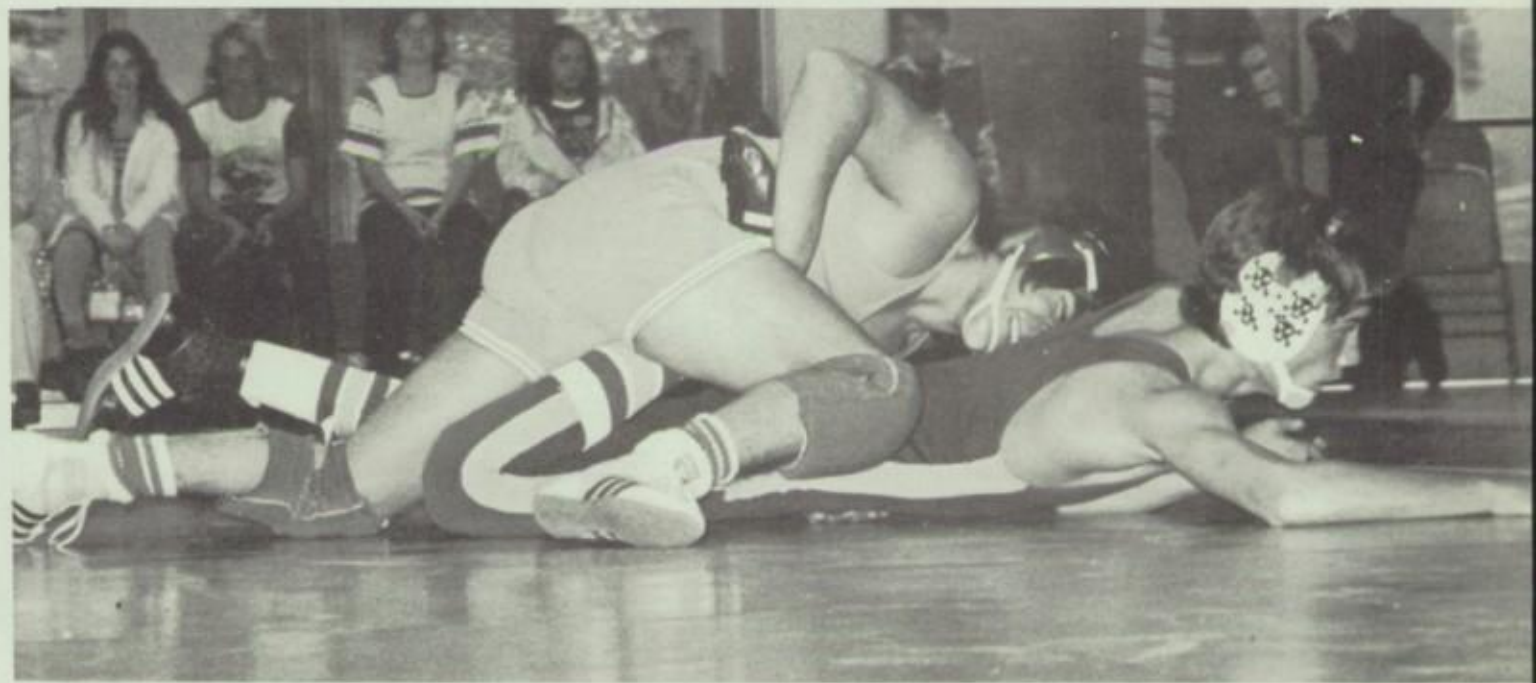

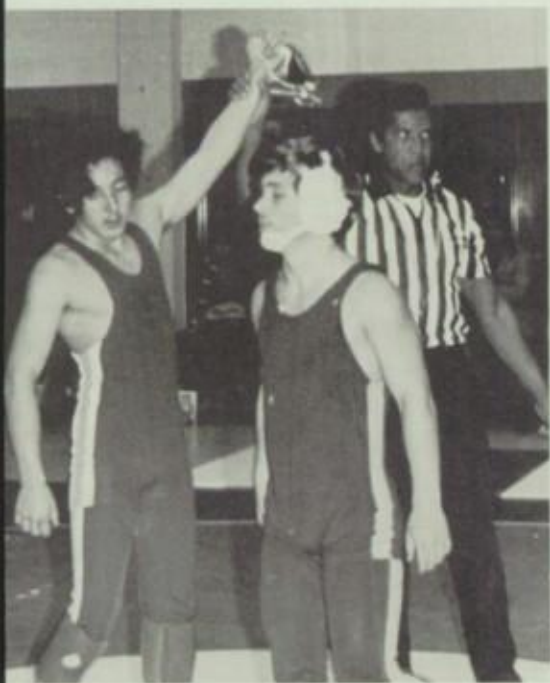

This year's Frosh/Soph Wrestling team finished out their season with a 4 win 7 loss record to equal the Varsity teams efforts. Outstanding wrestlers were Ken Johnson, 7-2, Scott Johnson, 6-3, Bill Rice, 10-0, and Sam Waters, 5-1. Coach Tom Babagian singled out Ken Johnson as the "hardest worker" and commented, "The reason he is such an excellent wrestler is because he thinks wrestling 24 hours a day." This year was a building year for the team, but Coach Babagian sees some big things coming out of our Frosh Soph team next year.

Varsity Saves Successful Season

This year's GIA Varsity Soccer Team played well, but not as well as expected. Their record for the season was 7-4. The team possessed a strong defense, but lacked offense. Their best game was against Silver Creek, a game that Coach Justino felt that they should have won, but lost 1-0. Coach Justino was happy with the way the girls worked together and praised the efforts of Goalie Laurie DeForge, forward Blanca Ayama and halfback Heidi Gomm. JV's, on the other hand, were champions for the second year in a row. Their record was 8-2-1. Silver Creek was also their best game, winning it 1-0. Ayer was their toughest opponent. Julie Thomas was one of the outstanding players of the team being the team's leading scorer. Mary Marshall was the other standout, along with all the fullbacks who did a fine job. Coach Stofle adds that it was a lot of fun working with the girls. They adapted to the game quite well and were cooperative. He also feels the girls had fun playing.

The MHS Varsity Soccer Team with Coach Floyd Davis put out top effort but wound up with a dissappointing record of 1-9-0. The team had gone winless until they played against Andrew Hill and wound up with a 4-3 victory. They also beat Andrew Hill last year 2-0. The most exciting game was against Samuel Ayer when the team lost with a dissappointing score of 1-0. Samuel Ayer was also their best opposition. The outstanding offensive players were Danny Cabral, Ian Burton, and Martin Woodrow. The outstanding defensive players were Bob Eberle, George Standfill, and Mark Woodrow. Coach Davis felt that the team was very inexperienced and young, but they tried hard and did well.

JV Booters Did Well Despite Hard Season

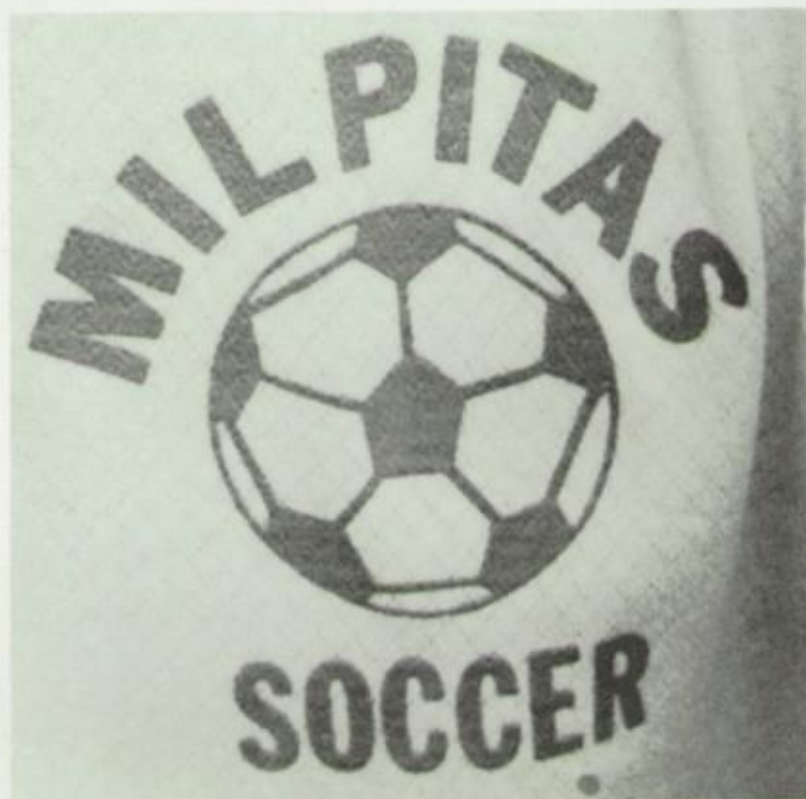

BACK: Mike Zorn, Mike Berryhill, Victor Aguilar, Philip Hufton, Jeff Mono, James Judy, and Coach Henri Krutten.
FRONT: Robert Judy, Robert Shanks, Louis Poehlman, Steve Bennett, Perry Myrick, and Tom Chapa.

The Frosh/Soph Soccer Team and Coach Henri Krutten started out their season with a big team of 38 players but dwindled down to 11 players, all of whom did a superb job of playing against teams that could substitute every few minutes. Their record was 1-9-1. The most exciting moment came when the team turned their losing streak around and tied Independence High School with a score of 1-1 in overtime. The outstanding player was Philip Hufton, the goal-keeper. Coach Krutten stated, "I have no doubt that this team will return next year and win BIG!"

This year's Golf Team under dedicated Golf coach Bob Crabtree is one of the best ever. At press time, they are currently undefeated in league play and have a very good chance of taking it all, but they must defeat a very strong Piedmont team. The team is led by seniors Bob Booker, John Trefielo and Chris Berg with Juniors Mark and Martin Woodrow and Kelly Switzer rounding a very well balanced team. "High-lites" of the young season are John Trefielo's 79 under adverse weather conditions, Bobby Booker's 85 at tough Half-Moon Bay and the Woodrow's clutch play against Lick.

The Junior Class is the first class to attempt holding a Junior Prom. They're planning it off campus. The Jr / Sr Bowl-a-thon, which proved successful and fun, was important, because it was something new to this campus. The Junior Class has shown a lot of spirit and some get up and go. Next year they will be the leading class. They sponsored a dance, a fun night, numerous coke sales, and candy sales such as the Valentines Love-O-Grams with tokens from the sender. They'll be carrying on some activities throughout the summer as they prepare to take over the leadership of MHS in '78.

'79 Leadership Overcomes Debt

This year's Sophomore Class Officers had a difficult task on their hands; they had to get rid of a \$200.00 debt that they owed to the ASB as a result of a candy sale which was held in their Freshman Year. This year's officers not only did that, but they added a few more hundred dollars to their account as well. A well-done job by a group of hard workers, this fund raising started the sophomores off on their goal of saving for senior activities. The Sophomore Class Officers are to be commended.

CLASS OFFICERS: Dan Francis, president; Yvonne Rodrigues, vice president; Natalie Thompson, secretary; and Julie Ann Thomas, treasurer.

Class of '80 Displayed Spirit

Governed by enthusiastic class officers Dan Francis, president; Yvonne Rodrigues, vice president; Natalie Thompson, secretary; and Julie Ann Thomas, treasurer; and guided by advisors Mark Dorsch and Dick Hubbell, the freshmen began their four-year stint at MHS in the second half of the Bicentennial Year. One of the largest entering classes, the Class of '80 demonstrated great spirit at rallies and in class competitions during Homecoming, the Jack Emery Drive, and the Boston Tea Party. Winning the ASB raffle competition and making a sizeable profit on their Disco Dance early in the year rapidly built up their treasury.

Curriculum

Culture Stressed

The sounds and smells of France, Spain, and Mexico flowed through the E-Building as foreign language classes learned about the culture of the languages they were learning. Carmen Johnson took over Larry Lovato's Spanish classes while Lovato moved to the district office to help with the Bilingual Program. Spanish students attended a play at San Jose State, heard an array of music and had several opportunities to try out such Spanish and Mexican foods as pan dulce, tamales and paella. Perla Kohs introduced French students to culture through various games, Chansons de Noel and a "tour" of Paris topped by an enactment of the opera Carmen. Both languages got together first period at Christmas for a party including various foods, skits and piñata. Although the department didn't grow this year, enthusiasm of language students increased ten-fold.

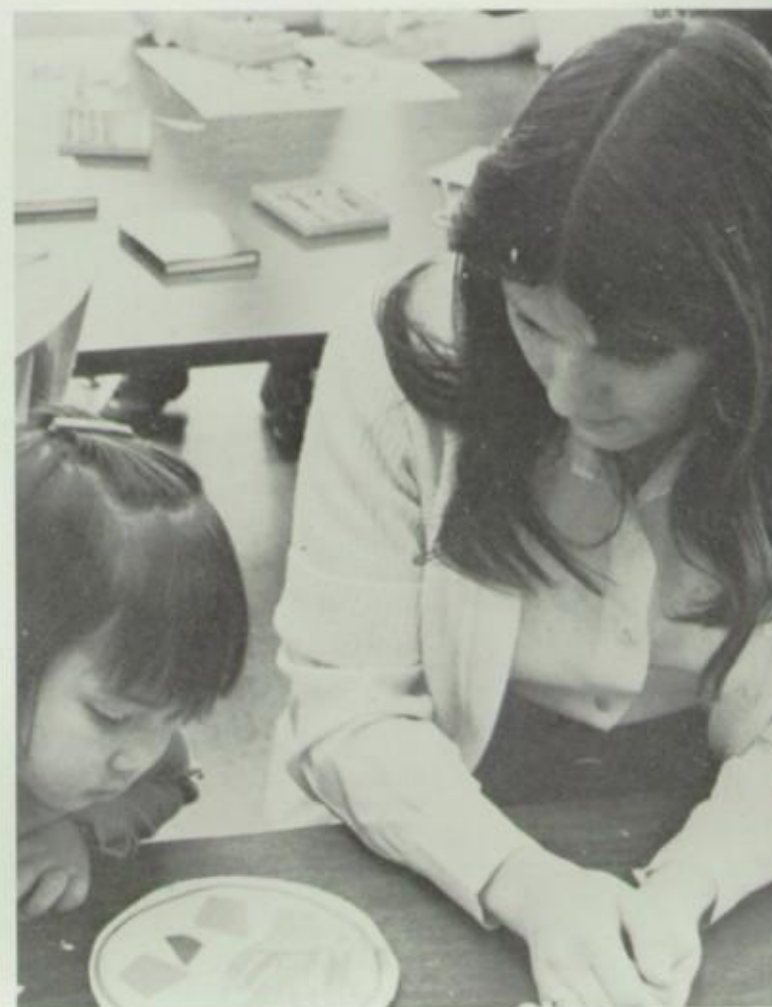

English Back to Basics

"A return to the basic fundamentals of language study, for example grammar, spelling, vocabulary development and homework, were the new emphasis in the department this year," stated Mr. Bartholomew, department chairman. There weren't any new classes, but there were new teachers. Mrs. Keelan, Mrs. Preheim, Mrs. Greene, and Miss Ruttencutter all were new on the staff. There were not what you would call highlights in the department, but there were some very special happenings such as the return of Mr. Squadrito. Things to be remembered this year will be the unfortunate ones who failed, having to read Romeo and Juliet and Macbeth, all of the time and work involved in homework, and, of course, the research paper that took six days to write and six weeks to type. Francine Ward, Ed Jarrett and Kathy Miles achieved excellence in English.

Tiny Tots Come Back

The Home Economics Department offered a diversified program covering three different areas: clothing, foods, a child development. Potpourri, a new course introducing basics in all three areas, was instituted as a requirement for all other courses. The popular pre-school, where students learn job skills by running a pre-school program for local tots, was brought back after a year's absence from campus. Thus, laughter of tiny students racing tricycles was heard once again 3rd and 4th periods. Teacher Rachael Perez took off second semester to have her first child, and Caroline Cornell took over her child development classes. A new course called Independent Studies was added, and only advanced students from any class were able to take it.

I.A. Prepared Race Car

The Industrial Arts Department spent this year revising all courses to qualify for special vocational funding. They are looking forward to the possibility of purchasing new equipment and offering a more extensive industrial arts program.

Auto and Metal Shops were involved in a special project helping prepare a hard top race car. Students did the body fender work, suspension modification and engine work to prepare the car for the San Jose Speedway.

Wood, metal and drafting students prepared projects for the Santa Clara County Fair where they competed for prizes (\$\$) in five different areas of industrial arts.

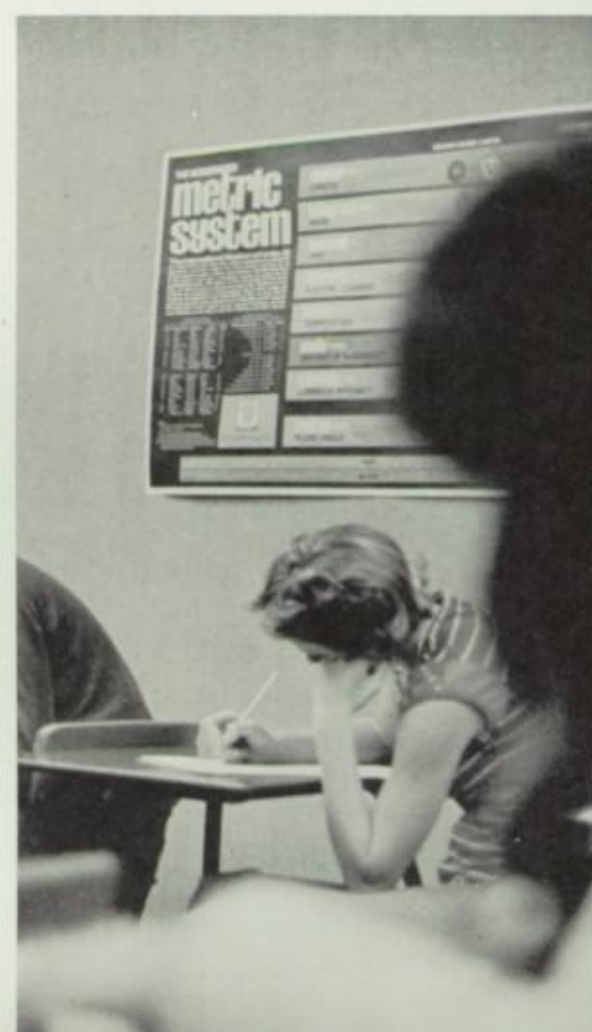

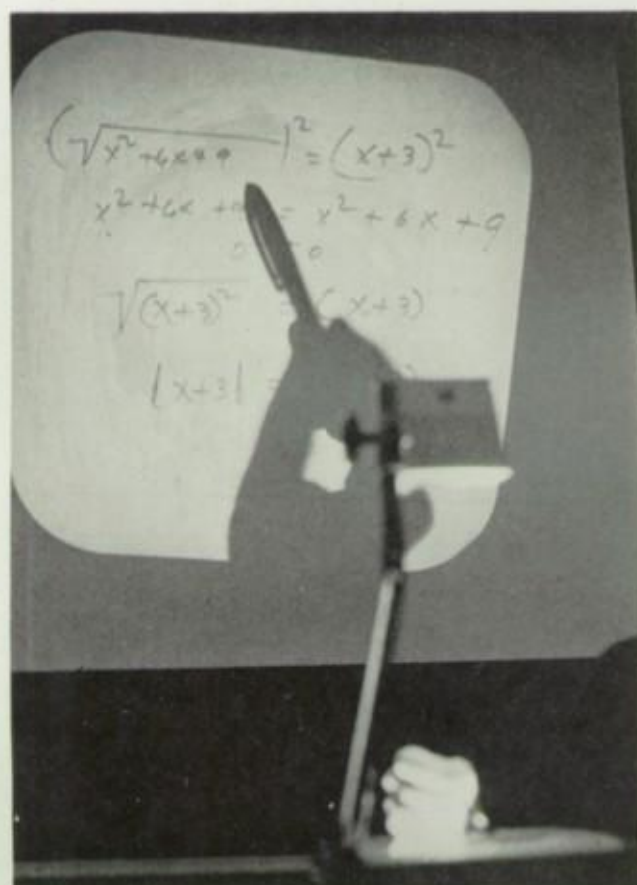

More Students Meet Academic and Career Goals

For the 1976-77 year, there have been several changes within the department. With the transfer of Mr. Gee to Ayer High at semester, the department chairmanship went to Mr. Davis. Also, Mrs. Ellen Doran was hired to take over his classes.

The two changes in the curriculum for the 1976-77 year have shown themselves to be working quite well, and we expect to see further development this year. The business math class is in the process of being reorganized for next year in order to make it more relevant and rewarding to the students.

There has been an upswing in the enrollment in the math department this year that this is due in part to the quality of the teaching going on here. More students are seeking the value of a good background in mathematics, and are taking more than just the absolute minimum the law requires.

1977 has been the year in which the math department has tried its hardest to accentuate the academic, as well as the vocational, aspects of mathematics in the future of the students of MHS."

They Danced, Acted, Played and Sang

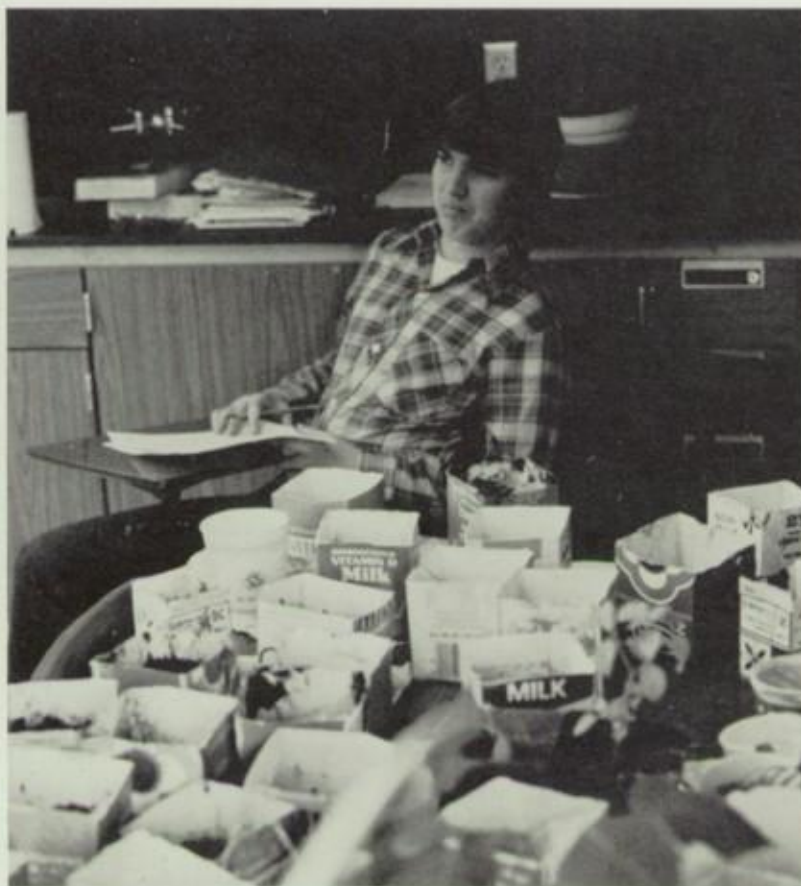

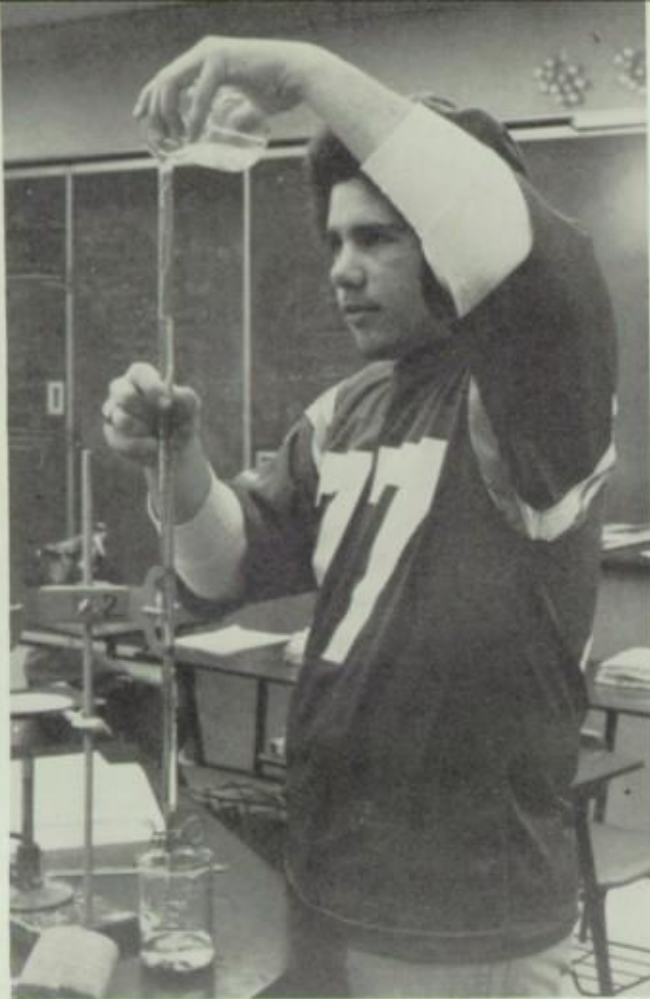

The MHS Chorus and Destiny, its specialty group, performed at local high schools this year. John Bringetto returned to the leadership of the MHS bands which started pulling together after a recent lapse of interest. The Jazz Band continued to win praise as it performed throughout the wider Bay Area, including a paid performance for a local professional softball team. Drama students produced "The Tavern" and "The Odd Couple" in their usual professional style, with all props, costumes, sets, and acting being done by students in the Stage Play Class.

P.E. Goes Coed

Several radical changes hit the P.E. Department this year. Title IX, the Equal Rights Law, caused P.E. classes to go coed. The dropping of P.E. as a required course for all students except freshmen and sophomores caused the P.E. teachers to switch emphasis towards recreational sports for life-long activity. A third change, the segregation of freshmen into first and sixth period classes, enabled teachers to teach basic skills all at one time while students opting to continue with P.E. could choose more specialized classes. The infamous "circuit" remained a requirement for freshmen.

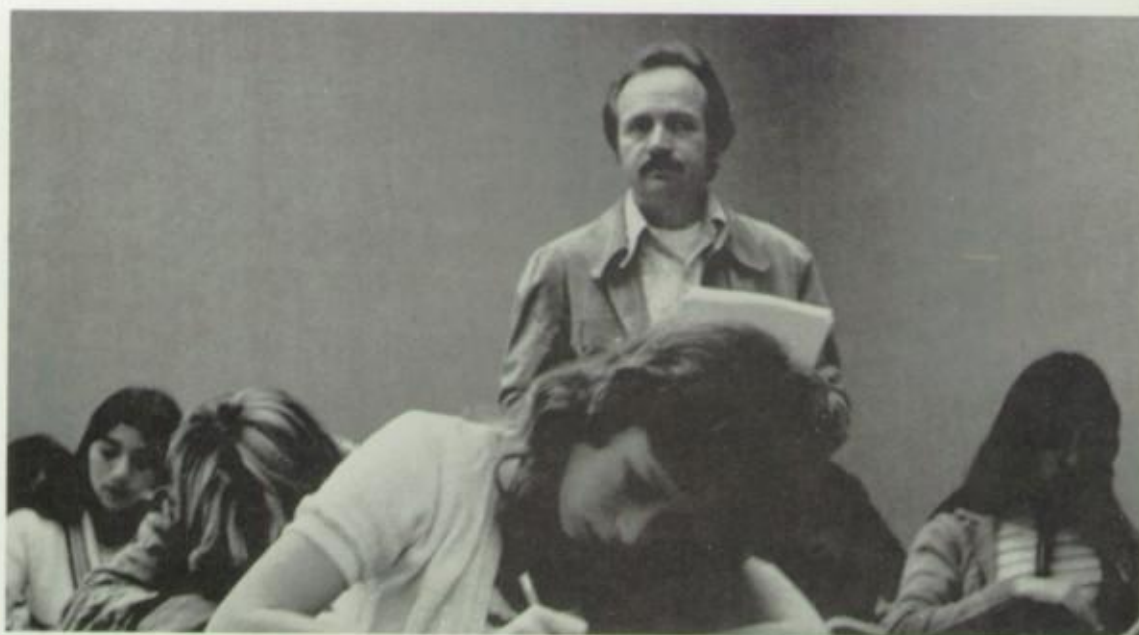

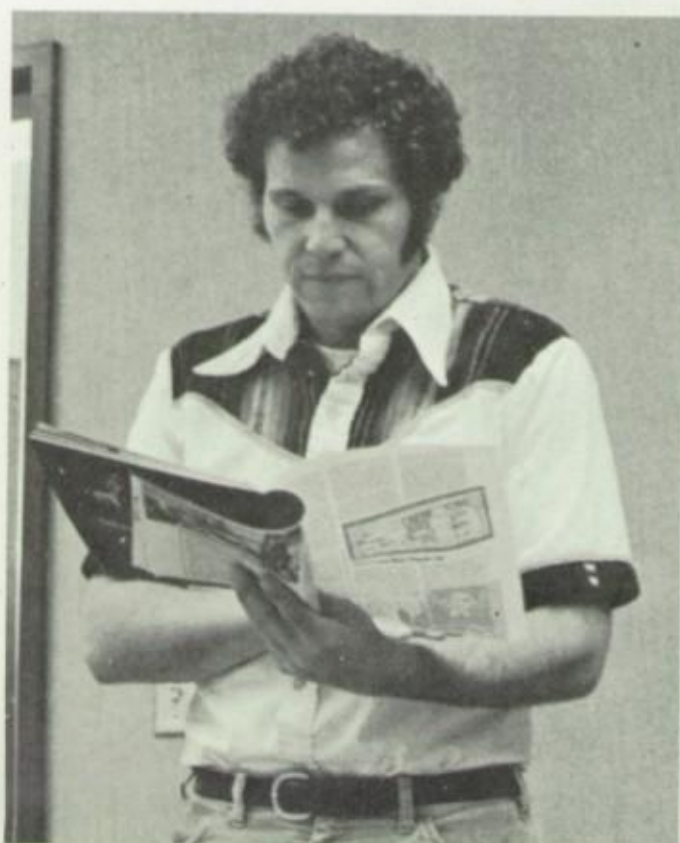

Scientists Explored Environment

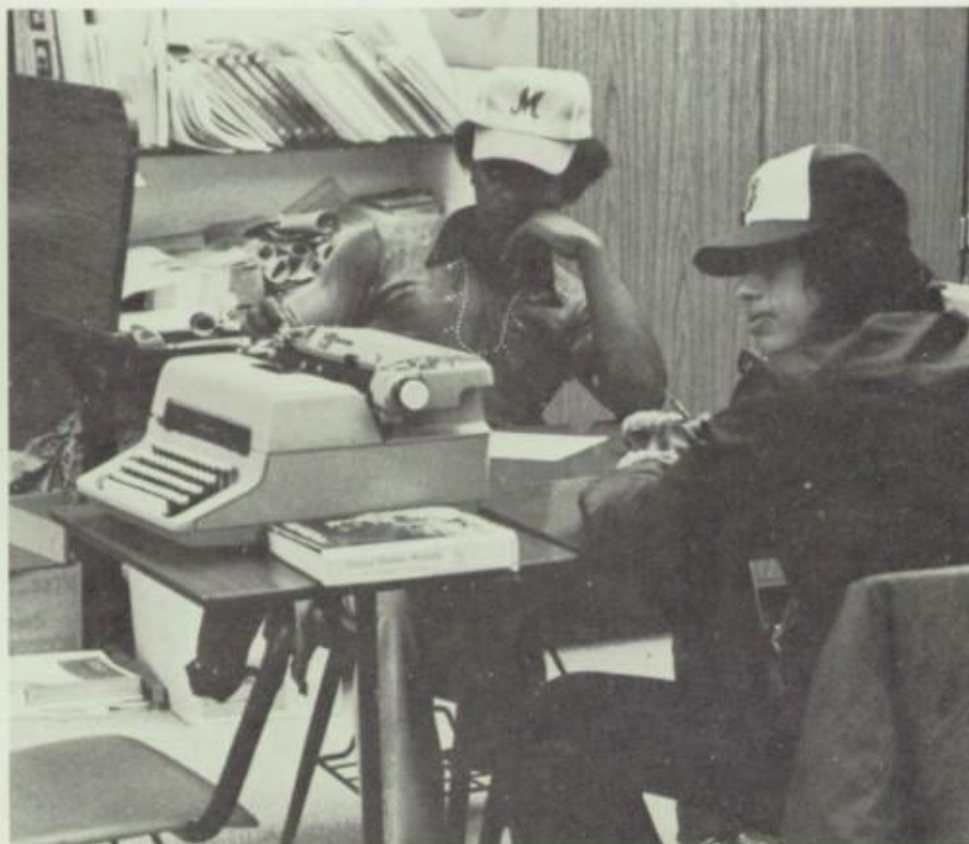

The Science Department offered a wide variety of courses to MHS students. All students got a solid background in science in Life and Earth Science while the college-bound continued their studies in Biology, Physics, Chemistry and Physiology.

Students Searched for Problem Solutions

The Social Studies Department was constantly seeking to provide students with courses that will enable them to identify, compare, and analyze problems facing the United States and other countries. The major goal of the department this year has been to revise the curriculum for all of the department courses. Mr. Al Wilwand returned to the department after a semester on sabbatical leave. New teachers in the department were Tom Barbagian, Mark Dorsch, and Dave Paul.

The various special courses on campus don't belong to a specific department, but they grouped together to meet the needs of the MHS student body. Yearbook and Student Government served the students by recording and developing an activities program. Students in tutoring and serving as office or teacher assistants helped keep classes running smoothly. Other courses in this area were created to meet the needs of special students.

Artists Attain Excellence

The M.H.S. Art Department, continuing in its tradition of excellence, maintained the same number of courses this year as in the past. While Leslie Goldman took a semester off to care for her newborn daughter, Leslie Sachs filled in. The outstanding student this year is Abby Hicks who has excelled in Jewelry, Photography, and Fiber Arts. Ernie Newman, who is in jewelry and sculpture, also is outstanding in his field. A low budget and inflationary prices will keep the art department from adding more classes next year.

Business Goes Individualized

"We're having a very busy and exciting new year," commented Toni Nederveld of the Business Department. They started a Business Skills Class which allows students to work individually at their own rate. This program has become more organized and smooth running each continuous day. The Business Department has made many big improvements and will keep on making many more in the future.

Upon Completion . . .

We, the Editors and staff members of the Anthem, wish to record the events leading to the production of the 1977 yearbook. Even though we are ridiculously tired, every bit of this account is most certainly true.

We survived four 3:00 deadlines, three of which were not met, 224 pages of mistakes, 2 front doors, 1 extremely well-padlocked back door, 1 three-legged table, 12 grease pencils, 32 pica rulers (5 of which were broken), only two functioning tables, 500 mangled manila

envelopes, 34 demanding advertisers, 150 rolls of film, 105 new excuses to add to the 3,465 already used, many untimely interruptions, 282 unclaimed '76 Summer Supplements, many vetoed sex-ed lessons, Bob Eberle's twit scream, 15 obscene gestures, 137 naughty words, daily muttering and grumbling, 6 months of insanity, 5 editors who showed up at different times, but never at once, one typewriter, three second semester rookies, and one undependable and nerve wracking photography

studio. Casualties almost included no baby pictures, but did include no summer supplements, lost winter team pictures, a whole day's worth of shooting ruined, 434 migraine headaches, 11 cases of senioritis (6 were drastic), numerous hangovers, and one committed advisor. Even in times of greatest frustration we remained loyal to our cause. Now after our last deadline, we can heave a big sigh of relief and say, that, in all sincerity, if you have any complaints or criticisms after all this . . .

TUFF!
